

Chaudhary Charan Singh University Meerut

Information Brochure 2020-21

for Admission to
Government Aided and Self-Financed
programmes of the University Campus

Updated: 10.06.2020

Message from the Vice-Chancellor

India, the oldest civilization and the oldest nation of the world, inherits a rich tradition of intellectual exploration. The Rig-Veda prayer: ' आ नो भद्रा ऋतवो यन्तु विश्वतः' (Let the noble ideas come to us from the entire world.) underlines the openness in Indian thinking since ancient times. Even in the ancient period, India led the higher education system of the world, attracting student population from a number of countries to its famous seats of learning at Takshila and Nalanda.

As large population of India's makes inroads to Information-ways for higher education during pandemic, it unfolds new avenues in quality education. In these tough times, we step in to make a dent in future challenges by bridging the gap between academia and industry. Our commitment to innovation, trans-disciplinary skill development and entrepreneurship has value based intricacy with traditional pedagogies.

Established in 1965, the Chaudhary Charan Singh University, Meerut (formerly known as Meerut University, Meerut) has been continuously engaged in creation and dissemination of world class knowledge by involving all the stake-holders, i.e., students, teachers, supporting staff and the people from different walks of the society. Over the years, it has steadily evolved itself as one of the leading centers of comprehensive learning with its exposure to and linkages with the peers at national and international levels. With its state-of-the-art infrastructure, well equipped laboratories and highly qualified and dedicated faculty, the University is committed to the task of harnessing and cultivating the capabilities of young students with a view enabling them to carve suitable space for themselves in the modern economic world.

Conscious of its social responsibility and accountability, the University since its inception has been striving hard to inculcate the right values among students so as to develop them as socially sensitive citizens. Sustainable development and inclusiveness being our main mottos, the University encourages teaching and research programmes addressing the issues of concern to the contemporary society. Thus, the system encourages not only the curricular activities, but also promotes co-curricular, extracurricular and extension activities through its outreach to and interaction with the local community.

While we have come a long way and our academic journey is marked by a number of path-breaking milestones, we have to keep pace with the fast-changing needs and expectations of the society. The process of creating new knowledge and producing capable human beings dedicated to the upliftment of the nation and the world has to continue with renewed vigor in an unabated manner.

I extend my best wishes to all the students, teachers and members of the administrative staff who are part of the University and to those also who intend to join us in our endeavor to liberate the humanity with the help of the powerful tool of knowledge.

Prof. N. K. Taneja

(Prof. Narendra Kumar Taneja)
Vice-Chancellor

Note: All the applicants are advised to check the fee details for the Government Aided and/or Self-Financed (SFS) programmes on the University website, as the case may be. As per the guidelines of government of Uttar Pradesh, the University follows the conditions of social distancing and wearing of masks being made compulsory in all colleges and campus premises during the session 2020-21.

Chaudhary Charan Singh University

Chaudhary Charan Singh University, Meerut (*formerly Meerut University*) was established in 1965 (U.P. Universities Act 1965), to cater the needs of higher education in western Uttar Pradesh. The University has celebrated its golden jubilee in 2015. It has a vast and beautiful campus in a pollution-free environment, which sprawls over 222 acres of land having vast playgrounds and experimental fields, botanical gardens, gymnasium, indoor stadium, well equipped library, hostels for both girls and boys, administrative block, spacious auditoriums, guest house, community centre and health centre. It has life-size statues of the late Prime Minister Ch. Charan Singh and Swami Vivekanand. The teaching departments belonging to different faculties, are housed in spacious buildings and have well-equipped laboratories and other facilities.

It was the first University in the country to introduce M. Phil. programme. A distinct feature of the academic programme is the semester system and continuous evaluation of the students through quizzes, tests, assignments and seminars. The academic programmes expose the students to practical aspects through seminars, group discussions and lectures of experts invited from the institutions of repute. The University has always been proud of its alumni who are occupying high positions of great responsibilities and distinction in educational and research institutions as well as administrative positions in the industries, defence and civil services in India and abroad. The recognition of the University is due to the efforts of well-qualified and committed faculty members who have been providing quality education to graduate, post-graduate, M.Phil. and Ph.D. students. The University has also made a mark in the field of sports, and our students are second to none in their achievements.

Under the able leadership of its Vice Chancellors, the University, in addition to the Government Aided post-graduate programme(s), is offering a large number of new and innovative graduate, post-graduate, diploma and PG diploma courses under Self-financed scheme (SFS) in areas of Engineering, Agricultural Sciences, Humanities, Social Sciences, Journalism, Mass Communication and Multimedia Techniques, Earth Sciences, Library and Information Science, Teacher and Physical Education, Fine Arts, Legal Studies, Applied Science, Home Science, Management and Business Studies. The University has a separate engineering college, which is currently offering courses leading to B. Tech. degree in different branches of engineering along with BBA, MBA, MBA (Hospital Management), Integrated MBA (Hospital Management) and MCA. Choice-based Credit System is adopted all government aided Master's programmes. In 2017-18 four new courses (B.B.A., B.Com. (Hons), M.B.A. (Hospital Administration), and PG Diploma in Psychological Counselling) were introduced and last year M.Com. (CBCS) and M.B.A. Integrated (Hospital Administration) were introduced with the idea to widen the horizon of students.

The success of the University students in NET, GATE, ARS, GRE and other examinations such as civil and administrative services, etc. speaks of the standard and quality of education provided by the University. The research activities in various departments of the University are supported by grants in the form of research projects sanctioned by UGC, CSIR, DBT, DST, ICSSR and other funding agencies of the central and State Governments.

Note: As per the guidelines of government of Uttar Pradesh, the University follows the conditions of social distancing and wearing of mass being made compulsory in all colleges and campus premises during the session 2020-21.

Faculty of Agriculture

1. Department of Genetics and Plant Breeding	7-8
2. (DST-FIST and UGC-SAP-DRS supported department)	
3. Department of Horticulture	9
4. Department of Food Science and Technology	10
5. Department of Plant Protection	10-11
6. Department of Seed Science and Technology	11

1. Department of Genetics and Plant Breeding

(DST-FIST and UGC-SAP-DRS supported Department)

The department of Genetics and Plant Breeding (formerly Agricultural Botany) was established in 1969, initially to impart education to M.Phil. (a pre-requisite for Ph.D.) students with specialization in the field of Genetics and Plant Breeding (including Biometrical Genetics and Cytogenetics). Government Aided M.Sc. Ag. program in the Department was started in the year 1980. In the light of the tremendous advances made in genetics, plant breeding, biotechnology, and genomics all over the world, as also the requirements of this region, the courses and research priorities have been accordingly modified. The department was recognized by the Department of Science and Technology (DST), Government of India under its FIST programme and also by the University Grants Commission (UGC), New Delhi under its SAP-DRS programme. For these recognitions, DST and UGC sanctioned Rs. 120 lacs to the department for improving infrastructure as well as teaching and research activities. The department has well equipped laboratories with PCR machines, (96- wells and 384-wells), Real-time PCR machine, DNA sequencing systems, different types of electrophoresis apparatuses, including pulse-field gel electrophoresis (PFGE), electroporation equipment, UV-visible spectrophotometer, LI-COR sequencing system, nucleic acid hybridisation oven, centrifuges, deep freezers, electronic balances, laminar air flow chamber, fume hood, culture racks, isotope laboratory, research microscopes, growth chamber, seed germinator, seed analyser for micronutrients, etc. The research laboratories are well equipped with computers and round the clock internet facility. A separate computer laboratory with online internet facility was also set-up in the department to cater the teaching and research needs of the postgraduate and research students. The department also has bioinformatics Infrastructure Facility (BIF) under the DBT Scheme of BTI Set launched in 2007. The main research areas are Plant Breeding, Biometrical Genetics, Crop Biotechnology and Genomics, Abiotic and Biotic Stress, Molecular Virology, Cytogenetics, Induced Mutations, Agricultural Nanotechnology etc. The faculty of the department has published a large number of research papers/books in the aforesaid areas, and had frequent exposures to foreign institutes at Germany, U.K., Canada, Japan, USA, Philippines, etc. In addition to laboratory facilities, and to support the laboratory research the department also has a 20-acre research farm for conducting field experiments on different crops. Currently, the department is undertaking a number of sponsored research projects with a grant of more than Rs. 3.00 crores sanctioned by different agencies. The students of the department have constantly been successful in ARS, CSIR-JRF/NET, and GATE examinations and obtained various scholarships from various agencies. Several students of the department are presently occupying important positions in both public and private sector organizations, including universities, colleges, research institutes, and administrative services in India as well as other developed countries.

Fields of Specialisation:

Plant breeding and Biometrical Genetics, Crop Biotechnology and Genomics, Bioinformatics Abiotic and Biotic Stress, Molecular, Virology, Agricultural Nanotechnology, Seed Technology, Cytogenetics, Induced Mutations.

Open elective Courses offered by the department for CBCS students of other departments are Plant Physiology and Global Food and Nutrition Security in 2nd and 3rd semester, respectively.

Government Aided Programme(s) Offered

(i) M.Sc. Ag. (Genetics and Plant Breeding) Programme (CBCS)

It is a two-year (four semesters) full time course in CBCS mode. It includes 16 theory courses (4 in each semester) and four practical courses (one in each semester) with an

open elective in any two semesters. Besides course work, all M.Sc. (Ag.) students are required to complete their thesis based on the research work conducted in the Department

(ii) M.Phil. Programme

It is a two semesters programme for M.Sc. Ag./M.Sc. (Genetics and Plant Breeding/ Ag. Botany/ Botany/ Biotechnology/Seed Science) students.

(iii) Ph.D. Programme

The department has facilities for research work leading to Ph.D. degree. The areas of specialization include Plant Breeding and Biometrical Genetics, Crop Biotechnology and Genomics Bioinformatics, Abiotic and Biotic Stress, Molecular Virology, Seed Technology, Cytogenetics, Induced Mutations and Agricultural Nanotechnology.

Faculty

Professors

Pradeep K. Sharma

M.Sc.(Ag.), M.Phil., Ph.D.
Plant Breeding, Molecular Genetics,
Crop Biotechnology, Genomics.

Crop biotechnology, Genomics

S.P. Singh

M.Sc. (Ag.), M.Phil., Ph.D.
Biometrical Genetics, Plant Breeding

H.S. Balyan

M.Sc., M.Phil., Ph.D., FNASc, FNA, FNAAS
Plant Breeding, Crop Biotechnology, Genomics

2. Department of Horticulture

India is blessed with a wide variety of climates and soils on which a wide range of horticultural crops such as fruits, vegetables, tuber crops, mushroom, ornamental plants, medicinal and aromatic plants, plantation crops, spices, cashew and cocoa are grown. These crops play a unique and vital role in providing food, nutrition, shelter and also various employment opportunities, and contribute significantly to our economy. Thus, teaching, research and extension in various areas of horticulture have been receiving increasing attention. The department offers theory and practical courses relating to various aspects of horticulture. The department has a laboratory equipped with autoclaves, microscopes, chromatography chamber, water distillation plant, electronic single pan balance, hand refractometer, incubator, oven, laminar flow bench, micro Kjeldahl, mechanical shaker and vacuum evaporator, etc. The department also has computer facilities with internet and two acres of land for conducting field experiments.

Government Aided Programme(s) offered

(i) M.Phil. (Horticulture) Programme

It is a one-year (two semesters) full time course for students with M.Sc. Ag. (Horticulture and its allied branches). This programme imparts education to students in Vegetable Science, Pomology, Floriculture and Landscaping and Post-Harvest Technology, based on recent advances in the field of Horticulture. The students must submit a research project at the end of final semester.

(ii) Ph.D. Programme

The department has a full time Ph.D. programme. The major areas of research include: Nutritional studies (use of major and minor elements), Standardization and improvement in agro-techniques, Improvement in plant propagation techniques, Post-harvest management of cut flowers and Application of plant bio-regulators in horticultural crops, etc.

Olericulture

Departments under the Faculty of Agriculture offering Self-Financed programmes

3. Department of Food Science and Technology

The Department was established in 2002 under the Self-financed scheme (SFS) of the U P State Government to provide knowledge and training to the students in food processing, preservation and storage, and thereby better job opportunities. Food Science and Technology is an interdisciplinary science and involves application of basic sciences and engineering to study the biological, physical, chemical, biochemical, and nutritional aspects of food and food products; its processing, preservation and storage; food quality testing and distribution of the safe and nutritious food.

The department has established well-equipped laboratories for the conduct of practical in various aspects of Food Science and Technology. A modern, well-equipped food-processing laboratory was established recently in the department with financial assistance from the Ministry of Food Processing Industries, Govt. of India, New Delhi. The equipment in this lab for the processing of fruits and vegetables and for canning include extractor, pulper, washer, crusher, steam jacketed kettle with boiler, milk pasteurizer, homogenizer, chiller, flat body reformer, can body beader, flanger with air compressor, double seamer, crown corking machines, etc. The department has its own departmental library with about 1000 books.

M.Sc. Ag. (Food Science and Technology)

It is an interdisciplinary, full time self-financed programme of two years (four semesters) duration. There are three courses and one practical in each semester. Further, each student has to undertake a project work on any aspect related to the course of study and submit the Project Report at the end of fourth semester. The evaluation involves both internal (50%) and external (50%) examination systems. The internal assessment is based on regular quizzes, tests, seminars/term papers.

Coordinator: Prof. P.K. Sharma, Department of Genetics and Plant Breeding, University campus

4. Department of Plant Protection

The Department of Plant Protection was established in 1998 under the Self-financed scheme (SFS) of the UP State Government/ University to meet the long-standing demand of students, farmers, pesticide companies and bio-control laboratories. The study of plant protection aims at developing strategies for overall improvement in crop production by minimizing crop losses due to insect-pests, diseases, weeds, nematodes, rodents, etc. The department has established well-equipped with modern laboratories for isolation, purification, identification and maintenance of relevant microbial cultures, mass rearing of natural enemies, mass production of bio-pesticides. Major equipment in the Department are BOD incubators, hot air ovens, autoclaves, Laminar air flow, GEL documentation system, deep freezer, high quality research microscopes, high quality inverted phase contrast microscopes, double distillation unit, bio-safety cabinet, pH meter, sprayers, etc. The department has its own departmental library, having more than 600 books and journals. A computer lab with round the clock internet facility is also available. The department is having active academic collaboration with several national Institutes/laboratories in India like-Central Potato Research Institute (CPRI), Shimla, National Research Centre for Integrated Pest Management (NCIPM), New Delhi, Indian Institute of Wheat and Barley Research (IIWBR), Karnal, etc. where the students have an opportunity to undertake their project work in

collaboration of the Department. The students of the department have shown good performance in ARS, ICAR-NET and have obtained various scholarships from various agencies. Several students of the department are presently occupying important positions in both public and private sector organizations; including universities, colleges, and research institutes, state agriculture departments, Krishi Vigyan Kendra (KVKs), FCI, DPPQS, private pesticides companies, etc. The following M.Sc. Ag. degree programmes are run by Department of Plant Protection:

M.Sc. Ag. (Entomology)

M.Sc. Ag. (Entomology) is a two-year (four semesters) full time course, including the project work. There are four theory courses (three in case of fourth semester only) and one practical in each semester; the latter is designed keeping each theory course in view. Each student has to undertake a project work on any aspect related to the course of study and submit the Project Report at the end of fourth semester. The students are encouraged and helped to receive training during their project work in different research institutes, laboratories and other Universities.

M.Sc. Ag. (Plant Pathology)

M.Sc. Ag. (Plant Pathology) is a two-year (four semesters) full time course, including the project work. There are four theory courses ((three in case of fourth semester only) and one practical in each semester. The practical work is designed as per theory courses. Each student has to undertake a project work on any aspect related to the course of study and submit the Project Report at the end of fourth semester. The students are encouraged and helped to receive training during their project work in different research institutes, laboratories and other Universities.

Coordinator: Prof. P.K. Sharma, Department of Genetics & Plant Breeding, University campus

5. Department of Seed Science and Technology

Seed is the basic and essential input in agriculture, and it is the carrier of modern technology. Quality seeds have played a significant role in Indian agriculture in increasing the food grain production four-fold in the last 50 years and are definitely going to play a major role in the future also. The recent developments in the fields of Genetic Engineering, Plant Biotechnology and Molecular Biology have resulted in the development and release of a number of high yielding cultivators with resistance against biotic and abiotic stresses; super hybrids (in rice); transgenics like Bt cotton, etc.

The Department of Seed Science and Technology was established in 2001 under the Self-financed scheme (SFS) to meet the long-standing demand of students, farmers and seed companies. The department has well equipped laboratories with Seed Germinator, BOD Incubator, Infrared Moisture Meter, Seed Divider, Electronic Weighing Balance, Autoclave, Hot Air Oven, Seed Purity Analysis Apparatus, Seed Counting Boards, Grinding Mill, Microscopes, Computer, Overhead Projector, etc.

M.Sc. Ag. (Seed Science and Technology)

Each student has to secure minimum 30% marks separately in internal and external assessment of each course and an aggregate of 40% marks in all the courses is for a pass. A candidate who fails to obtain 30% marks in internal assessment of any paper, he/she will not be eligible to appear in external examination of that course.

M.Sc. Ag. (Seed Science and Technology)

It is a two-year (four semesters) full time, self-financed course. It covers both basic as well as applied courses. Based on the research work carried out, the students are also required to submit a project report.

Co-ordinator: Dr. S.S. Gaurav, Department of Genetics and Plant Breeding, University camp

Faculty of Arts

1. Department of English	13-14
2. Department of Hindi (Centre of Excellence, U.P. Govt)	14-15
3. Department of Russian Language	15-16
4. Department of Urdu	16-17
5. Department of Economics	17-18
6. Department of B.A (Honours) in Economics	18-19
7. Department of History	19-20
8. Department of Political Science	20-21
9. Department of Psychology	21-22
10. Department of Sociology (Centre of Excellence, U.P. Govt)	23-24
11. Department of Sanskrit	24
12. Department of Fine Arts	24
13. Department of Geography	25
14. Department of Journalism and Mass Communication	25-26
15. Department of Library and Information Science	26-27

6. Department of English

The department is a thriving interdisciplinary centre for study with an outstanding reputation at postgraduate level and beyond, attracting each year a varied contingent of students from all over the country. The department encourages crossing and re-crossing of boundaries between disciplines (literature, film, history, performing arts, visual arts, etc.) because inter-disciplinary approach brings about a wide range of critical concepts and approaches. It extends vocational and professional possibilities and creates a dynamic and more interactive academic community.

The teaching in the department is lively, engaged and on the cutting edge of advances in theory and historical understanding. Students are imparted a high level of practical skills which enhance scholarly work and ensure that they are properly equipped for their post-university careers. A variety of teaching methods used include lectures, seminars, tutorials, group discussions, to facilitate different modes of learning; to exercise different skills and to respond to varied needs at different stages of the M.A. and M.Phil. programmes. We try to foster individual initiators in learning and to make it an experience to be shared with fellow students and faculty.

Government Aided Programme(s) offered

(i) M.A. (English) Programme (CBCS)

It is a two-year (four semesters) full time course in CBCS mode. The syllabus is modelled on the latest UGC curriculum and provides scope of interdisciplinary studies to the students. It includes 16 theory courses (4 in each semester) with an open elective in each semester.

(ii) M.Phil. Programme

It is a one-year (two semesters) course based on the study of Research Methodology and Approaches to Literature, Review of Literature, World Classics in Translation and Post-colonial Literatures in English. Apart from the theory courses, the students are required to submit a dissertation at the end of the final semester.

(iii) Ph.D. Programme

The scholars are encouraged to work on different aspects of literature, cultural studies and related fields for their Ph.D. programme.

Open electives offered by the department for CBCS students of other departments are Fundamentals of English Language, English Communication and Fundamentals of English Language Skills and Translation and transformation language and personality development in 1st, 2nd, 3rd and 4th semester, respectively.

Faculty

Professors

Pratibha Tyagi
(Head of the Department)

7. Department of Hindi

The department was established in 2002. The Syllabi are based on UGC guidelines and are designed to prepare the students for the basic degree in the subject as well as for the various competitive examinations. The department is keenly working in various new areas of literature, language and organizes seminars, debates, and poetry and story competitions for developing creative writing skills. The departmental competitions are reorganized from time to time. The department has organized a number of special lectures by eminent scholars of Hindi literature and Media world. The department is equipped with a departmental library, computer and media laboratory. The department is pursuing research in the area of Hindi Literature and regional dialects, its literature and also in mass communication and journalism. Once again the department has been sanctioned with a 'Centre for excellence' by Department of Education, Govt. of U.P. Some of our students are working in Universities, Colleges, Intermediate colleges, radio, and television as reporters, editors, photographers and anchors. Department of Hindi constituted two new courses in M.A. Hindi Prawasi Literature Kauravi Literature in M.A. Level. These new courses of the department are new steps of research in comparison to other Universities. The students of the Department are creating a new record in NET/Reorganized by UGC, New Delhi

Government Aided Programme(s) offered

(i) M.A. (Hindi) Programme (CBCS)

It is a two-year (four semesters) full time course in CBCS mode. The syllabus is designed as per UGC guidelines in such a way to fulfil the need of NET/competitive examinations. It includes 16 theory courses (4 in each semester) with an open elective in each semester.

(ii) M.Phil. Programme

It is a one-year (two semesters) course based on the study of Research Methodology, theories of literature, and different ideologies. The student must submit a dissertation at the end of final semester.

(iii) Ph.D. Programme

The Ph.D. programme in Hindi is undertaken in Modern Hindi Literature like modern poetry, novels, stories, satire and critics with various areas of functional (Vyavsayic) Hindi and media studies.

Open electives offered by the department for CBCS students of other departments are Samanya Hindi, Kosh Vigyan and Hindi Patrakarita in 1st, 2nd and 3rd semester, respectively.

Faculty

Professor

N.C. Lohani
(Head of the Department)

M.A., D.Phil.
Modern Fiction, Modern Poetry, Criticism,
Functional Hindi, Media Studies

Self-Financed (SFS) programmes offered

(i) M.A. in Vyavsayic Hindi: Journalism and Mass Communication

It is a two-year (four semesters) full time programme with emphasis on language teaching, mass communication and media writing, information technology and computers, translation and electronic and print media followed by one month technical training in the fields of Print/

Electronic Journalism/ Translation/ Media writing, general knowledge and Hindi literature, etc.

(The programme is suspended for the year 2020-21).

8. Department of Russian Language

The Department of Russian Language (to be renamed as the 'Department of Foreign Languages') was established in the year 1969 with Russian language offered as one of the Non-Credit courses for the research scholars of the University Campus. The same year, a Certificate of Proficiency; a Diploma Course in Russian Language in 1970; and in 1977, an Advanced Diploma Course in Russian Language and Literature; were started. Since then, certain courses in French and German languages have also been added, and are being run in the department under the Self-Financed Scheme (SFS), namely, Certificate of Proficiency in French (since 2001-02); Certificate of Proficiency in German (2003-04); Diploma Course in French Language (2003-04); Diploma Course in German Language (2004-05); Advanced Diploma in French Language and Literature (2010-11). The department is planning to introduce some more job-oriented and advanced-level courses in near future.

Any of the above-mentioned languages could be studied at the Certificate Course level without any previous knowledge of the same. The minimum qualification required for admission is (+2)/Higher Secondary/Intermediate in any discipline.

The Certificate programme(s) aim at the acquisition of basic skills for communication by the learners, whereas the Diploma courses help in developing a working knowledge in the language concerned. In the Advanced Diploma courses, the students are introduced to translation skills, as well as literature. The central objective of the courses is to proceed towards a bilingual competence for communication. And for achieving the said objectives, audio-visual materials are used for teaching. The department has a well-equipped Audio-Visual Room consisting of computers, LCD and other projectors, Visualizers, Digital Voice Recorders, TV, VCD and DVD-players, interactive software and films, which are regularly used for the benefit of the learners. The departmental library has adequate study material, and new titles are added every year. For the benefit of the learners, Invited/Guest Lectures and seminars are also held periodically.

All the courses are part-time in nature and could be pursued along with other full-time degree courses. The course structures of all the languages have been designed by incorporating the recommendations of the U.G.C. Model Syllabi, and also keeping in view the increasing demand of foreign language specialists in the fields of management, trade, exports, computers and IT, hotel and tourism industry, etc., apart from that at various public and private enterprises. The pass-outs of this department have found suitable placements in central universities; technical/professional institutes; public schools; hotel and tourism industry; MNCs like Wipro, oracle, Infosys, IBM, etc. Apart from going for higher studies elsewhere. *For other details, please visit:*

Government Aided Programme(s) offered

(i) Certificate of Proficiency in Russian

It is a one-year (two semesters) part-time programme, which aims at the acquisition and development of the basic skills for communication by the learners.

(ii) Diploma in Russian Language

It is a one-year (two semesters) part-time programme, which helps in developing a working knowledge in the language.

(iii) Advanced Diploma in Russian Language and Literature

It is a one-year (two semesters) part-time programme, designed to introduce the learners to translation skills, and the works of the principal figures of Russian literature in original. (*Admissions will be based on merit)

It is a one-year (two semesters) part-time programme, which aims at the acquisition and development of the basic skills for communication by the learners.

(v) Diploma in German Language

It is a one-year (two semesters) part-time programme, which helps in developing a working knowledge in the language.

Courses (iv) and (v) above are suspended for the session 2020-21.

9. Department of Urdu

The Department of Urdu was established in 2002. Since then, it is inclined to provide Urdu students, many chances of jobs in Mass Media and Journalism, so it offers job-oriented programmes leading to excellent research opportunities in modern literary trends and criticism. It imparts education at M.A., M.Phil. and Ph.D. Levels.

The department regularly publishes an Urdu magazine named "Hamari Awaz" with articles of the students and eminent Urdu writers. The department has organized a number of national and international seminars, special lectures/ cultural programmes; published around 30 books.

Following facilities are available in the Department:

Library: The Department has Hafeez Meeruti Memorial library, with rich collection of books.

Computer Lab: The computer lab in the department is equipped with 11 Computers, 6 Printers, 3 scanners, Urdu software (Inpage), and Internet facility.

Audio-Visual Lab: This lab is equipped with LCD Projector, Colour Television, DVD Player, Audio Player and Recorder, etc.

Sa-adat Hasan Manto Reading room, Premchand Seminar Hall.

Government Aided Programme(s) offered

- (i) **M.A. (Urdu- CBCS):** The Department offers M.A. in Urdu, a two-year (four semesters) full time programme in CBCS mode, with special paper of Mass Media and Computer Graphics along with dissertation, based on any literary field including seminar and assignments. It includes 16 theory courses (4 in each semester) with an open elective in each semester.
- (ii) **M. Phil Urdu:** Students having MA degree in Urdu with 55% marks are eligible. This programme includes four theory papers in two semesters and a dissertation on any literary topic related to personalities belonging to Meerut and surroundings.
- (iii) **Ph.D. Urdu:** The thrust area of research is net trends in Urdu Literature, Media and Fiction. The department has all facilities for research in Urdu.

Open electives offered by the department for CBCS students of other departments are Aasan Urdu, Urdu Proficiency and Mass Media in 1st, 2nd and 3rd semester, respectively.

- (ii) **Diploma in Urdu Proficiency (DUP)**

10. Department of Economics

Ever since the recognition of economic factors as the key ingredients of the development of a society or human development, the importance of economics as a subject of study has grown tremendously. The demand for professional economists is increasing day by day, and emergence of new areas is the natural outcome of this development. In addition to the commercial and manufacturing enterprises, both in the public and private sectors, absorbing a bulk of the manpower trained in economics, today there is hardly any social, administrative or developmental organization where the services of economists are not needed.

The department of Economics with its team of well-qualified and experienced teachers provides a thorough and in-depth training in theoretical and applied economics through its various courses of study. The main objective is to develop skilled manpower capable of analysing economic problems at different levels of sophistication and suggesting solutions in terms of policy.

The students of the department have been well-received in the job market and their performance in terms of the success rate at different national examinations has always been above average. It is

reflected through their placements in various organizations which include the academic and research institutions at higher level, civil services, commercial banks, the Reserve Bank of India, private corporate houses, etc. The department also has computer facility to cater to the needs of those applying Econometric techniques, and a library with a large collection of books and journals.

Government Aided Programme(s) offered

(i) M.A. (Economics) Programme (CBCS)

It is a two-year (four semesters) full time course in CBCS mode. It includes 16 theory courses (4 in each semester) with an open elective in each semester.

(ii) M. Phil. Programme

It is a one-year (two semesters) course involving courses in Research Methodology and Economic Theory and Indian Economy. In addition to the theory courses, the students are required to submit a dissertation at the end of the final semester.

(iii) Ph.D. Programme

It is a research programme culminating in a doctoral degree. The main thrust areas of the department, with an orientation in quantitative techniques, are Economics of Industry, Agricultural Economics, Public Finance, International Economics, Finance and Trade, and Indian Economic Problems and Policies.

11. Department of Bachelor of Arts (Honours) in Economics

Self-Financed Programme Offered

The B.A. (Honours) Economics is an undergraduate specialized program in the field of Economics and its curriculum is structured to reflect the University's belief that indepth understanding is the key to develop functional capabilities to enable the students to meet the challenges of the job market. Efforts would be made to explore more possibilities from the corporate world. The B.A. (Honours) Economics program is a full-time three-year program divided into six semesters (two semesters in first year, two semesters in the second year and two semesters in the third year). Every semester ordinarily shall be of 21 weeks of duration inclusive of teaching and examination. The B.A. Economics (Honours) Program shall consist of total 150 credits and each paper shall consist of 05 (five) credits. The 05 credits shall be equivalent to 100 marks which shall be classified into the ratio of 50% external and 50% internal as per university rule.

Coordinator/ Director- Prof. Dinesh Kumar (Department of Economics, University Campus)

12. Department of History

History is no longer treated as mere chronological narrative but is aptly considered the discipline of growth and development of society and largely of human civilizations. Thus, it is inevitable that the various facets of historical knowledge should be properly studied, interpreted and communicated in order to form a right perspective of the cultural heritage.

The department of History was established in 1977 with M.A. programme for the wider study of the patterns of life and national and international understanding. In 1981, M. Phil. programme was introduced with an objective of promoting the scientific, qualitative and research-oriented teaching which provides an insight to analyse the history with a particular emphasis on the economic and social changes. It is also noteworthy that the Ph.D. programmes, undertaken in the department are on the latest and innovative subjects. The department offers comprehensive and intensive courses (based on UGC guidelines) to prepare the students not only for the specific degree but also enables them to compete in various competitive examinations. The department has a departmental library and is also developing a museum to protect and preserve the rich cultural heritage of the region.

Government Aided Programme(s) offered

(i) M.A. (History) Programme (CBCS)

It is a two-year (four semesters) full time programme in CBCS mode, consisting of sixteen papers and four viva-voce/practical examinations with an open elective in each semester.

(ii) M.Phil. Programme

It is a one-year (two semesters) course consisting of five courses and a dissertation.

(iii) Ph.D. Programme

The main thrust areas of research in the department include all periods of history-Ancient, Medieval and Modern Indian history.

Open electives offered by the department for CBCS students of other departments are Indian Rituals and Karma, Indian Culture and Heritage in 2nd and 3rd semester, respectively.

13. Department of Political Science

Since its inception in 1977, the emphasis of the department has been to initiate and strengthen the empirical research at grass-root level, both in rural and urban environments. The themes of the research projects and dissertations try to touch the problem areas relating to weaker sections of the society. In addition to this, governmental and nongovernmental institutions, political, social and administrative processes are also being studied. Prof. Sanjeev K. Sharma has been acting as Editor of another journal namely 'Indian Journal of Political Science'.

Government Aided Programme(s) offered

- (i) **M.A. (Political Science) Programme (CBCS)**
It is a two-year (four semesters) full time course in CBCS mode, with emphasis on Western and Indian Political Thought, Contemporary Political Theory and Indian Political System, Public Administration, International Politics, Comparative Politics, Political Sociology and Research Methods. It includes 16 theory courses (4 in each semester) with an open elective in each semester.
- (ii) **M.Phil. Programme**
It is a one-year (two semesters) programme based on courses relating to Indian Political System, Social Science and Political Research, International Political System, Indian Political Economy and a dissertation.
- (iii) **Ph.D. Programme**
Open electives offered by the department for CBCS students of other departments are Constitution of India and Democracy in India in 2nd and 3rd semester, respectively.

Federalism and Public Administration

Self-Financed Programme Offered

Public Administration, a most sought-after course among the administrative services' aspirant students, is being offered in western U.P. only by Chaudhary Charan Singh University, Meerut. The Department initiated teaching M.A in Public Administration in 1997 and offered M.Phil. in Public Administration 2003 onwards. It is a two years duration competition-oriented course offering papers in specialized areas like Personnel Administration, Financial Administration, Policy Analysis, organizational Behaviour and Panchyat Raj.

(i) M.A. (Public Administration)

It is a two-year (four semesters) full time programme. Graduates in any discipline may apply.

14. Department of Psychology

The Department of Psychology was established in 1970, with M.Phil. and Ph.D. programmes. In 1977, M.A. Psychology was added. From time to time, various self-financed courses were offered in the department.

Initially, research in the department had a distinct focus on experimental work. Gradually, applications of psychology to the social and clinical scenarios also acquired importance. Currently, the department has two well-equipped laboratories, one for experimental work, and the other for psychological testing. Both laboratories are being upgraded this year to include hardware and software for computerized and advanced experimental design and testing. The department also has a separate computer laboratory for the use of students.

The Psychological Counselling Centre was established in the Department of Psychology on 5th December 2017 by the Hon'ble Vice Chancellor Sh. N.K. Taneja. It primarily offers counselling services to the students and employees of the university. During COVID 19 all teachers provided counselling on phone to the

general public. Thus, the centre meets the need for counselling services in the region and epitomizes the practical application of Psychology.

The mission of the department is to equip students with knowledge as well as skills to advance their career goals in Psychology and to deal with real life problems. To this end, the faculty imparts intensive knowledge to the students about myriad topics in Psychology with a particular focus on the recent advances in each area, and trains them in skills associated with research and practice of Psychology.

Regular Courses

(i) M.A. (Psychology) under Choice-based Credit System

M.A. (Psychology) is a four-semester full time programme under Choice-based Credit System. Students need to complete 24 credits (four courses) in each semester. Each course has a theory and practical component. In the third and fourth semester students may opt for courses which enable their entry in a pathway to Clinical Psychology or Organizational Psychology or Educational Psychology. Of course, students are free to choose options that do not lead to any of these particular paths but allows them to acquire knowledge in diverse areas of psychology. Under the Choice-based Credit System, students also opt for one open elective of any other department in each semester.

(ii) M.Phil. Programme

M. Phil. (Psychology) is a two-semester full time programme comprising four theory courses and a dissertation. Two compulsory courses are completed in the first semester, and students may choose any two courses from the nine courses offered in the second semester. The dissertation is supervised by faculty members of the department.

(iii) Ph.D. Programme

The department offers Ph.D. programme in the areas of specialization of the faculty members. We particularly welcome students who are interested in quantitative research. We are also open to those who have an interest in interdisciplinary work.

Open electives offered by the department for students of other departments under the Choice-based Credit System are: 'Psychology in Everyday Life' and 'Psychology and Spirituality' in the odd and even semesters respectively.

15. Department of Sociology (Centre of Excellence, 2009-10)

The Department of Sociology was established in 1970. With an aim to fulfil the need of quality improvement and to bridge the gap between post- graduation and research, the department got started with M.Phil. Programme only. Later M.A. was introduced since 1973. Since the Indian society is still largely rural and a large segment of population is backward and weak, the department has been undertaking studies and teaching in the areas of Rural Sociology, Medical Sociology, Studies of Weaker Sections of Society and Political Sociology with an emphasis on the understanding of Research Methodology and Sociological Theory. There is always a field orientation at all levels of courses to grasp the contemporary social reality.

Government Aided Programme(s) offered

(i) M.A. (Sociology) Programme (CBCS)

It is a two-year (four semesters) full time course in CBCS mode. It includes 16 theory courses (4 in each semester) with an open elective in each semester.

(ii) M.Phil. Programme

It is a one-year (two semesters) course with a research project.

(iii) Ph.D. Programme

The department offers Ph.D. programme in the special areas of Rural Studies, Medical Sociology, Political Sociology and the Study of Weaker Sections.

Self- Financed Programme offered

Considering the fact there was no facility of Social Work education in the area of Western U.P., the studies of Social Work got started in the form of a two-year postgraduate programme, Master of Social Work (M.S.W.) under Self-financed scheme (SFS) in the year 2003 under the auspices of the Department of Sociology. It is a two-year job-oriented course of applied nature of Social Sciences for preparing professional social workers. Teaching of theory courses is undertaken along with fieldwork and with a provision of training (i.e. Block Field Work). Specialization in Human Resource Development, Medical Social Work and Rural-Urban Community Development are offered.

(i) Master of Social Work (MSW): It is a two-year (four semesters) full time, self-financed course.

Note: For admission to M.S.W. programme (as per the guidelines of the Indian Association of Social Science Institutions- IASSI), in addition to marks, one-third weightage is given to the performance of the candidate in Group Discussion and Personal Interview.

Coordinator: Prof. Alok Kumar

16. Department of Sanskrit

The Sanskrit department was established in July 1969 and started B.A. Programme while M.A. in Sanskrit was started in 1986 under correspondence courses. It started regular teaching in 1996 and got its own building in 1998. The Ph.D. programme was started in 1997 and M. Phil. in 2005.

The demand for Sanskrit knowing person is growing in the modern society. The department has its well-equipped laboratories for the practical understanding and practice of Sanskrit learning, related technologies and astrology. For M.A. course in Sanskrit, the medium of instruction is strictly Sanskrit. The Yajurvedhan, Yoga asanas and project work are the parts of practical exams in Sanskrit.

(i) M.A. in Sanskrit

It is a two-year (four semesters) full time, self-financed programme.

(ii) M.Phil. Programme

It is a two semesters programme.

Co-ordinator: Prof. Y. Singh, Dean, Faculty of Arts

Departments under the Faculty of Arts Offering Self-Financed programmes

17. Department of Fine Arts

The department of Fine art was established to provide advance training in Painting and upcoming art trends leading to the award of Post-graduate degree. The training provided through the courses offered by the Department aims at bringing in the students the refinement of the perception and awareness of changing art scenario that is not just confined to the skills of profession alone, but to

create the right kind of intellect where one can bring out a perfect personality of creativity and thought. With this kind of training, the students obtaining the Post-graduate degree may become freelance artists, designers and visualisers. They would be qualified for various kinds of jobs like in publishing house, multimedia fields, teaching and research departments.

(i) Master of Fine Arts (M.F.A.) -Painting

It is a two-year (four semesters) full time, self-financed course.

Co-ordinator: Dr. Alka Tiwari, Associate Professor, NAS College, Meerut.

18. Department of Geography

Process in Geography from traditional to modern began in 1850 coinciding with the launching of the Five-year Plan for Economic Development and expansion in research and teaching. The Department of geography was established in 2004, to attract new talent that is trained in modern technology, is also very popular with candidates appearing for Civil Services and other competitive examinations. The department is keenly working in various new fields as Regional Planning, Industrial Development, Environment Degradation and Soil Degradation, Weather and Crop Studies and Tectonic movements etc. The basic data for most of these courses is accessed through observations recorded at AWS located at C.C.S. University campus. The department is equipped with a departmental library, cartographic Lab and GIS Lab. Department is serving as IIRS (ISRO) Outreach Program Centre which is available in the Department through Edusat video conferencing for five days in week (Monday to Friday).

Department is also approved for IIRS - ISRO sponsored outreach program. It offers five certificate level online courses without any course fee for University students.

(i) M.A./M.Sc. (Geography)

It is a two-year (four semesters) full time, self-financed programme.

(ii) Post Graduate Diploma in G.I.S. and Remote Sensing

It is one-year (two semesters) self-financed, job-oriented course. Graduates from any background including technical degree and diploma holders can register for this course.

Co-ordinator: Prof. Y. Singh, Dean, Faculty of Arts

19. Department of Journalism and Mass Communication

In an era of globalisation, the need and importance of Journalism and Mass Communication cannot be over emphasized. It is the result of increasing awareness in the country that Mass Communication is an essential catalyst for national development and social change. Thereby, a Post-graduate programme in Journalism and Mass Communication was started in 2001 and thus the Department of Journalism and Mass Communication came into being at the C.C.S. University Campus. Due to great demand and need for media professionals today, there is a need to strengthen University-based media education and production centres. To fulfil this need, the University has set up a wide range of sophisticated media equipment for its studies, editing and outdoor production work.

The department has good facilities for the students.

Class-rooms: All classroom of the department has LCD Projector installed, which enables smart teaching and learning

Studio: The Department has well equipped studio with all modern infrastructure like camera (Sony PD170), teleprompter, light system, etc. to produce all kinds of indoor programmes.

PCR: Production Control Room is equipped with digital video switcher, audio mixer and Headphone with modern editing section.

ENG: For Electronic News Gathering there are sufficient numbers of handy cams.

Audio Studio: In the department the facility of radio program production is also available. Training of editing sound, mixing, dubbing, anchoring, news reading, scripting is given to the students on latest electronic equipment and software.

TV Room: For the latest news and knowledge of current affairs a TV room with D.T.H. is available for the students and also to undertake post-production critical analysis of various programmes which are a part of practical work.

Practical Newspaper-“PARISAR”: Department publishes a practical newspaper “PARISAR” (since 30 May 2008, on Patrakarita Diwas) for the practical training to the students.

Computer Lab: the computers in the lab are installed with the softwares like Quart Xpress, Coral draw, Photoshop which are used in the field of Journalism. Internet facility is available for the students to keep them updated with the current happenings.

Library: Department has its own library and reading room. Reference Books, Textbooks, Newspapers, Magazines, Journals are available for the students.

Seminar Hall: Well-furnished seminar hall equipped with sound system, LCD projector and Home Theatre.

Community radio: A community radio is proposed to start from the coming session by the Department

(i) Bachelor of Journalism and Mass Communication (B.J.M.C.)

It is a three-year (six semesters) Bachelor Programme. This course focuses on various aspects of social, political, economic system of India and different issues related to Mass Media. The course provides exposure to students so that they can establish themselves in conventional and new media.

(ii) Master of Journalism and Mass Communication (M.J.M.C.)

It is a two-year (four semesters) full time, self-financed programme. The course focuses on different aspects of Print and Electronic Media, Public relations, Advertising, Media Management, Communication Research etc.

(iii) M.Phil. Programme

It is a one-year (two semesters) programme consisting of four theory courses and one research project in the areas of specialization of the faculty members of Department

(iv) Ph.D. Programme

The department has full time Ph.D. programme. The major areas of specialization include Print media, electronic media, new media, advertising and public relations etc.

Co-ordinator: Dr. Prashant Kumar

20. Department of Library and Information Science

The Department of Library and Information Science was established in the year 2004 under self-financing scheme with the intention to provide quality education in the field of Library and Information Science to the students of this region. It was for the first time to the boundaries of the University campus that Library and Information Science Department was constituted at par with other teaching departments under self-financing scheme. The training in the discipline of Library and Information Science is needed for developing and shaping future managers of Libraries and Information Centers. Such managers with necessary skills and aptitude are required for converting their respective centers of activities into excellent sources for accessing the ever-exploding literature and information related to the various disciplines. The department has a separate Computer Laboratory with 10 computers and a printer, which are available for the students. The Computer Lab has rounded the clock internet connectivity where students are allowed to access the internet to pursue their studies. The Department has a separate well-stocked library having a collection of more than 1500 books on all areas of Library and Information Science. The departmental library also subscribes to a number of Indian and foreign journals to provide latest information in the subject. Classification Schemes, Catalogue Codes, and list of Subject Headings are also in the collection of libraries. Keeping the above importance of Library and information Science in view, the department offers the following programmes of study.

(i) Bachelor of Library and Information Science (B.L.I.Sc.)

It is a one-year (two semesters) full time, self-financed programme with semester system of examination.

(ii) Master of Library and Information Science (M.L.I.Sc.)

It is a one-year (2 Semester) full time, self-financed programme with semester system of examination.

Co-ordinator: Prof. Rakesh Gupta

Co-ordinator: Dr. J.A. Siddiqui

- | | |
|----------------------------------|-------|
| 1. Institute of Business Studies | 29 |
| 2. Department of Commerce | 29-30 |

21a. Institute of Business Studies (BBA and MBA)

The Institute of Business Studies was established in 1996. It was initially started to initiate studies in Master of Business Administration i.e. MBA. The admissions to these courses are carried out as per AICTE norms from the pool of qualified students.

Admission in MBA Programme will be through UPSEE exam. Direct admission will be done through University portal and on merit basis on vacant seats.

Self- Financed Programme offered

- (i) **Ph.D. Programme:** The Department offers a regular Ph.D. programme.
- (ii) **BBA:** It is a three-year (6-semester) programme.

Candidates admitted mainly by AKTU in

- (i) **MBA:** It is a two-year (4-semester) programme.

Head of Department: Dr. Rajiv Sijariya

21b. Institute of Business Studies (MBA- Hospital Administration)

MBA (Hospital Administration) was added to IBS session 2017-18 onwards, with realization that the number of hospitals has swollen largely throughout the country and the world. Students for Hospital Administration will be given admission as per the eligibility and availability of seats.

This year onward an integrated program in hospital administration i.e. MBA (Hospital Administration) 5 years Integrated Programme is re-introduced, as BBA-HA. Students at 10+2 level from biology stream may get admissions after passing their exams. This would enable provision for getting graduation degree after three years of integrated programme and each student will be awarded degree of BBA (Hospital Administration).

Admission in two years components of MBA (Hospital Administration) will be given directly to students who have passed BBA (Hospital Administration) three years component.

Self- Financed Programme offered

- (i) **Ph.D. Programme:** The Department offers a regular Ph.D. programme.
- (ii) **BBA (Hospital Administration): 3 years Programme**
It is a three-year (6-semester) programme. At completion of three years a degree of BBA (Hospital Administration) can be provided.
- (iv) **MBA (Hospital Administration): 2 years Programme**
It is a two-year (4-semester) programme.

Head of Department/ Coordinator: Prof. Neelu Jain Gupta

22. Department of Commerce

The Commerce Department was set up in 2017. The University has introduced under graduate program B.Com with Honours and post graduate program M.Com under Choice-based Credit System (CBCS) creating a unique educational system which blends intense subject domain and knowledge along with practical skills required for enhancing employability of students, thereby

distinguishing the curriculum being offered in the past for commerce graduates and post graduates by the university. The focus is to develop a versatile Student possessing a combination of academic and practical skills. We groom our students to face the challenges of the corporate world with a blend of social sensitivity. Besides the requisite commerce skills, the students also attain visionary, entrepreneurial and leadership skills.

The faculty of commerce is specialized in varied aspects of Commerce and Management like Accounting, Finance, Marketing, Human Management, Taxation, Corporate/Business Laws and International Business. Additionally, the department places emphasis on learning through projects, seminars and workshops providing an enabling environment to help its students stand out academically and in shaping them to an overall balanced personality both in terms of the department's vision and today's competitive environment.

Self- Financed Programme offered

- (i) **B.Com (Honours):**
It is a three-year (6-semester) programme.
- (ii) **M.Com (CBCS):**
It is a two-year (4-semester) programme with choice-based credit system.

Coordinator: Dr. Manoj Kumar Agarwal, Meerut College, Meerut

Faculty of Education

Associate Professor

Praveen Kumar

M.P.ED (NET), Ph.D.

Sports Training, Sports Management, Tests, Measurement and Evaluation, Curriculum designs in Physical Education.

(v)

Note: The physically handicapped persons are not allowed to take admission, as the courses involve vigorous physical activity. Married Women candidates are eligible to take admission in B.P.Ed. and M.P.Ed. courses, but if they get pregnant during the course, they have to leave the course for at least one year; because all candidates opting for the course, need rigorous physical training.

Co-ordinator: Prof. Vijay Jaiswal

(Prof. Vijay Jaiswal, Department of Education, University campus)

Faculty of Law

1. Institute of legal studies 35

**Department under the Faculty of Law
Offering Self-Financed programmes**

25. Institute of legal studies

Institute of Legal Studies offering various courses for Legal Research, Education & Profession . Institute offered Doctorate, Masters and Bachelor courses (Ph.D., LL.M.& B.A., LL.B.) in Law. Which enables the students to meet out the requirements of present-day Legal Profession and trains them for international avenues.

- (i) **Ph. D.:** Institute offers a full-time research programme. Admission to this programme is as per the UGC & University norms.
- (ii) **LL.M.:** It is a two-year (four semesters) full time, self-financed course. Admission to this programme is through entrance test organized by the University.
- (iii) **BA-LL.B.:** It is a five-year (ten semesters) full time, self-financed course.

* M.Phil. under approval

26. Department of Botany (Centre of Excellence, funded by UP Government, twice)

The department, established in 1969, is well recognised all over the country as the one imparting quality education in Botany. It is housed in a double-storied independent building in serene natural surroundings of mango-orchards. Besides giving a thorough grounding in basic science of Botany, the curriculum adopted in the department also lays emphasis on deep understanding of the modern branches of the subject. It has sophisticated equipment like Gas Chromatography, PCR, Fermenter, UV-visible Spectrophotometer, Electrophoresis Unit, Ion-analyser, Ozone generator, Colorimeters, Quartz double distillation units, High speed cooling centrifuge, Gel documentation system, FT-IR and Atomic Absorption Spectrophotometers, HPLC, Image analysers, etc. The department also has computer and internet facilities. It has well equipped laboratories with sufficient facilities for study and research in various specialized areas. Every year, several students qualify NET/GATE, besides PCS/IAS/IFS and other national level tests. Several students have secured high academic and administrative honours in India and abroad. Several research projects have been completed and several others are underway. The department maintains a polycarbonate house, a garden and an herbarium/museum.

Government Aided Programme(s) offered

(i) M.Sc. (Botany) Programme(CBCS)

It is a two-year (four semesters) full time course in CBCS mode. Courses in the first three semesters pertain to various aspects of Botanical Science while in the fourth semester students are provided two electives, besides two mandatory papers. It includes 16 theory courses (4 in each semester) and four practical courses (one in each semester) with an open elective in each semester. The department is providing two specializations of 2 papers each. In the current session (i) Microbial and Environmental Biotechnology and (ii) Applied and Stress Physiology are being offered.

(ii) M.Phil. Programme

It is a two-semester programme with four theory courses including research methodology and a project report. The students complete their project work in specialized fields of their choice.

(iii) Ph.D. Programme

The department is well equipped for Ph.D. programmes in Environmental and Heavy Metal Pollution, Tissue Culture Technology, Developmental and Stress Physiology, Mycology, Microbiology, Microbial Nanotechnology Plant Pathology, Synecology, Invasive Ecology, Phycology, Biotechnology, Molecular Biology, Plant Taxonomy, Biodiversity and Environmental Heterogeneity.

Open electives offered by the department for CBCS students of other departments are Disaster Management and Environmental Awareness in 2nd and 3rd semester, respectively.

Self- Financed Programme offered

(i) M.Sc. (Industrial Biotechnology) Programme

It is a two-year (four semesters) full time course. Courses in the first three semesters pertain to various aspects of Biotechnology while in the fourth semester students take up projects.

(This self- Financed Programme is suspended for the session 2020-21).

27. Department of Chemistry

The department of Chemistry was established in the year 2002. Presently department is offering three post graduate programme(s), M.Sc. (Chemistry), M.Sc. (Biochemistry) and M.Sc. (Polymer Science and Chemical Technology). M.Sc. in Chemistry is a Government Aided Programme spread over four semesters. The curriculum of these courses in first three semesters make the students aware with different advanced aspects of inorganic, organic, physical and analytical chemistry; however, in the final semester they are specialized inorganic chemistry by offering courses like organic synthesis, medicinal chemistry, environmental science and polymers. Very high percentage of students qualified UGC/CSIR sponsored NET, GATE and SLET examinations in the previous years.

The department has successfully organized many National and International seminars and conferences. An International Conference on "Perspectives in Vibrational Spectroscopy" (ICOPVS) was organized in Feb 2006. Another International Conference on "Green Technologies for Greener Environment" (GTGE 2010) was organized by the department during January 27-30, 2010. The department has organized Guest Lectures of experts from all over the world. The department has

collaborated with Institute of Chemical Engineering Sofia, Bulgaria for carrying out joint research work. The department also organized an International Conference on Green Technologies for Environment Protection (GTEP 2011) at Sofia Bulgaria with their collaboration.

The department has started research activities in different fields of Polymer Science and Chemical Technology such as development of technology for recovering chemicals and useful products from polymer waste, biodegradable plastics, composites, etc. The department has separate laboratories for Inorganic, organic and Physical Chemistry, Biochemistry, Polymer Science and Technology. Separate computer laboratory with internet facility and an instrumentation laboratory are available in the Department. The department has acquired sophisticated instruments like Differential Scanning Calorimeter, FTIR, UV-Visible Spectrophotometer, HPLC etc. The department is developing techniques for industries and has also filed two patents for period of 20 years. The department has also undertaken industry sponsored research projects. The University has signed an agreement with M/s National Molding Co. Ltd. for the transfer of technology. The Industry paid Rs. 4.13 lakh. A DST and Industry sponsored project is under progress for development of laminated glasses. Under this project, the department has procured a new instrument Differential Photo calorimeter. The department has also developed an adhesive for bonding POP and concrete which was also sponsored by industry.

The department so far has produced 17 Ph.D. students. Over 20 research and review articles have been published in reputed International Journals with high Impact factors. The department has filed three Patents and recently one patent entitled "A method of preparing novel organic thermal stabilizers for PVC" has been granted by Controller General of Patent, Govt. of India to the University for a period of 20 years. MoU between Tokyo University of Science, Japan and CCS University, Meerut have also been approved by both Universities and signed in February 2016. Under this program, the students and faculty of three departments Chemistry, Physics and Mathematics will have an academic exposure to visit and study in Tokyo University of Science, Japan. Currently, three international research projects are undergoing in the department in collaboration with Russia, UK and Japan.

The department has produced more than 330 PG students in different streams of Chemistry, Biochemistry and Polymer Science and Chemical Technology. Most of the students are either pursuing M. Tech., Ph.D. Or involved in R&D work in different Universities and Research organizations like DRDO, TIFR, BARC, CDRI Lucknow, IIT Delhi, IIT Roorkee, NPL Delhi, NPL Pune, CSIR laboratories etc. The students with specialization in polymer science and chemical Technology are well placed in industries like Chemical, Polymers- Plastic, rubber, fiber, pharmaceuticals, cosmetics, oil distillery, sugar manufacturing and distilleries etc. and are doing best to the industry. Students holding Post-Graduate Degree in Chemistry, Biochemistry and Polymer Science and Technology have opportunity to go for higher studies like M. Tech. and Ph.D. and can do R and D work in Universities, Industries, Research organizations like DRDO, TIFR, CSIR Laboratories etc. Such students may find job placements in industries like chemicals, polymers, plastics, rubber, fiber, pharmaceuticals, cosmetics, oil distillery, sugar manufacturing and distilleries etc.

Government Aided Programme offered

(i) M.Sc. (Chemistry) Programme (CBCS)

It is a two-year (four semesters) full time course in CBCS mode spread over four semesters. It includes 16 theory courses (4 in each semester) and four practical courses (one in each semester) with an open elective in each semester.

(ii) M.Phil. Programme

It is a two-semester programme with four theory courses including research methodology and a project report. The students complete their project work in specialized fields of their choice.

(iii) Ph.D. Programme

The department is well equipped for Ph.D. programmes.

Open electives offered by the department for CBCS students of other departments are Chemistry in Life I and Chemistry in Life II in 2nd and 3rd semester, respectively.

28. Department of Mathematics

Mathematics is the queen of all sciences. It has its independent role to play in the development of physical, biological and social sciences. That is why its growth over the years has been phenomenal. In view of this, Mathematics was included in those subjects, which were started in 1969 at the time of establishment of teaching departments in this University. Initially, only M.Phil. programme was introduced and later on M.Sc. programme in Mathematics was also started. The department has a well-equipped computer laboratory. The department has made its own mark in the field of Mathematics Education. It has a laboratory for working in Mathematics Education having several innovative educational games, charts, models and filmstrips.

The department has completed several major and minor research projects.

Government Aided Programme(s) offered

(i) M.Sc. (Mathematics) (CBCS)

It is a two-year (four semesters) full time course in CBCS mode. It includes 16 theory courses (4 in each semester) with an open elective in each semester.

(ii) M.Phil. Programme

It is a one-year (two semesters) course with four theory courses including Research Methodology and Computer Applications, and a project.

(iii) Ph.D. Programme

The department has facilities for research in the areas of Fluid Mechanics, Stability Theory, General Topology, Approximation Theory, Fuzzy Game Theory, Fuzzy Goal Programming, Fuzzy Transportation Modelling, Cryptography, Fuzzy Game Theory, Mathematical Modelling and Operations Research.

Open electives offered by the department for CBCS students of other departments are Optimization Techniques, Fundamental Calculus/ Basic Cryptography in 2nd and 3rd semester, respectively.

29. Department of Microbiology (ISO 9001:2015(QMS))

The Department of Microbiology was established in the year in 1998. It is well equipped with ultra-modern laboratory facilities for isolation, purification, identification and maintenance of microbes. Major equipment in the Department are Fermenter, ELISA Reader, Spectrophotometer, Ultrasonicator, Electrophoretic units, Fast Blotting for Immunoblotting Microprocessor-controlled photomicrography system, Air sampler, High speed refrigerated Centrifuge, Cell Homogeniser, PCR Thermocycler, Gel Documentation, Deep Freezer, HPLC, FPLC, DNA Hybridizer and all other necessary equipment for immunological studies, high quality microscopes including Fluorescent microscope are available to the students. The Department has a well-established microbial culture collection centre and provide material to several affiliated colleges including the Medical colleges. The department has 45 computers in network with 7 x 24h Wi-Fi facilities. The Department has its own departmental library with more than 4000 books and several national and international research journals. The Department regularly organizes workshops, seminars, lectures and exhibitions. The Department provides specialization in Medical, Industrial, Agricultural and Environmental Microbiology and Bioinformatics.

Choice-based course training for 5-6 months is provided: Applied Microbiology - Choice of one of the four courses in IV Sem.- Medical Microbiology, Environmental Microbiology, and Industrial Microbiology and Agricultural Microbiology.

Institutes where training provided in the past:

AIIMS, CCMB, CDFD, NIL, IIT, CDRI, IARI, IMTECH, NBRC, CIMAP, NBRI, JNU,DU, ITRC, NDRI, C-DEC, TIFR, CMVL, IVRI, RANBAXY, FRI, CPRI, NBPGR, Central JALMA, NBRC Under IAESTE program of DAAD - candidates are selected for 6-month training in GERMANY.

Laboratories Subject wise:

1. Molecular Biology Laboratory
2. Microbial Culture Collection
3. Microbiology Laboratory
4. PCR Laboratory
5. HPLC and FPLC Laboratory
6. Computer Lab with 7X24 h Wi-Fi facility

Department is engaged in generating new knowledge, basic or applied. Department is also engaged in generation of various self-employment generating program.

Government Aided Programme(s) offered

(i) M.Sc. (Microbiology) Programme (CBCS)

It is a two-year (four semesters) full time course in CBCS mode. It includes 16 theory courses (4 in each semester) and four practical courses (one in each semester) with an open elective in each semester.

(ii) M.Phil. Programme (Microbiology)

(iii) Ph.D. Programme: in the aforesaid specialized fields.

Open electives offered by the department for CBCS students of other departments are Food Safety and Quality Control and Public Health and Hygiene in 2nd and 3rd semester, respectively.

Prof. Y. Vimala is Head In-charge of the Department

Self-Financed programmes offered

- (i) **M.Sc. (Applied Microbiology):** It is a two-year (four semesters) course with specialization in Medical/Industrial/Agricultural/Environmental Microbiology. The course also includes project work during the fourth semester.
- (ii) **M.Sc. (Bioinformatics):** It is a two-year (four semesters) course with a project work during the fourth semester.
- (iii) **M.Sc. (Medical Microbiology):** It is a three-year (six semesters) self-financed course. It is unique course because the student will spend full one-year practical training in a medical college and/or pathological and diagnostic laboratories/centre duly recognized by competent bodies.
- (iv) **B.Sc. (Food Microbiology, Safety and Quality Control):** It is a three-year full time self-financed course. Changing global pattern of food production; international trade, technological advancement, public awareness and their expectations; health and hygiene; new Food Safety Act of Government of India and many other related factors have created huge demand for trained personnel in Food Microbiology, Safety and Quality Control.

30. Department of Physics (DST-FIST Supported department)

The Physics Department of the Chaudhary Charan Singh University, Meerut was established in 1969. The department has the distinction of starting M.Phil. Degree Programme in semester system in the country and subsequently started to offer 4-semester (2 years) M.Sc. (Physics) degree with specialization in electronics and Ph.D. Programme. The research programs of the Department cover a number of areas like Materials Science, Nanotechnology, Renewable Energy, Thin Films, Condensed Matter Physics, MEMS, Nanoparticles, Photonics and Superconductors etc. The growing international reputation of the Department has enabled it to join several international collaborations such as **Marco Polo Cooperation Program** on Scientific and Technological Cooperation between the *Università degli Studi di Catanzaro "Magna Græcia"* (UMG), Italy, and Tokyo University of Science, Tokyo. Faculty members are also collaborating with the scientists at University of Puerto Rico, Mayaguez, USA, IUAC, New Delhi, IIT-R etc. The department has undertaken a large number of R&D projects from various sponsoring agencies and is involved in international collaborations and industrial consultancy projects.

The Department's illustrious legacy and its continuous stride in academic excellence over many decades have been duly acknowledged by the Department of Science and Technology, New Delhi, resulting in the endowment of financial assistances through schemes FIST and University Grants Commission, New Delhi. These grants have helped in strengthening the post graduate laboratories and basic infrastructure and the procurement of state of art instruments for research.

The major laboratory available in the Department for synthesis of nanomaterial and device fabrication is Micro and Nanofabrication Lab (Class-1000 Clean Room Facility for Micro and Nanofabrication) equipped with MJB4-Optical stepper and Nano imprint Lithography (NIL) for micro and nanofabrication. A clean room chemical processing facility consisting of wet chemical processing bench, photoresist film spin coater and various other processing instruments has also been constructed. In addition to above Department has 3-Target RF-DC and Magnetron Sputtering System and vacuum coating unit for thin Film Deposition. Laboratories for Advanced Material Characterization equipped with Scanning Electron Microscope (SEM) with Energy and Wavelength Dispersive Spectroscopy (EDS and WDS) analysis tool, Scanning Tunneling

Microscope (STM) and Atomic Force Microscope (AFM) are available for analytical characterization of nanomaterial. LabVIEW-based Interactive Virtual Laboratory, Library and High-Speed Internet (LAN and WLAN) facilities are also available to boost the academic and research activities in the Department

Fields of Specializations

Electronics, Solid state Physics, Condensed Matter Physics, Nanotechnology, Renewable Energy, Thin Films, MEMS, Photonics, Superconductors and Theoretical Atomic and Molecular Physics.

Government Aided Programme(s) offered

(i) **M.Sc. (CBCS) with Specialization in Electronics:**

It is a two-year (four semesters) full time course in CBCS mode. It includes 16 theory courses (4 in each semester) and four practical courses (one in each semester) with an open elective in each semester.

(ii) **M.Phil. Programme:**

It is a one-year (two semesters) course having four theory courses and a project.

(iii) **Ph.D. Programme:** Research work supervised in Solid state Physics, Condensed Matter Physics, Nanotechnology, Renewable Energy, Thin Films, MEMS, Photonics, Superconductors and Theoretical Atomic and Molecular Physics.

Open electives offered by the department for CBCS students of other departments are Nano Science and Nano Technology and Earth's Atmosphere and Solar System in 2nd and 3rd semester, respectively.

Job Opportunities and Placement

The students from this department have joined premier institutions such as BARC, TIFR, IITs, CAT, IUAC, SSPL, DRDO and ONGC. Many students have joined Ph.D. programme in the universities abroad. A number of students joined Central/State Universities as faculty members. A good number of students from the department have passed UGC/CSIR- JRF/NET/GATE/JEST examinations every year. A large number of our students have been selected by UP State Higher Education Service Commission for Assistant Professorship in colleges of UP and other states.

31. Department of Statistics

The department was established in 1981 with M.Phil. and Ph.D. programmes. Later, in the year 1989, M.Sc. courses were also introduced. The department has developed two computer laboratories for teaching and research work. The department also has a statistical laboratory equipped with desk, electronic and programmable calculators. To make the courses more job-oriented, we have introduced two courses of computer programming, two courses of Operations Research and a course of Engineering Statistics at M.Sc. level while at M.Phil. level, we are running the courses like-Research Methodology, Reliability Theory, Statistical Inference and distribution and Advanced Bayesian Statistics with R.

A good number of students from the department have passed UGC/CSIR- JRF/NET/GATE examinations in the past years. The faculty members of the department have published more than 280 research papers out of which 70% belong to international journals of repute like-Reliability Engineering and System Safety (U.S.A), Microelectronics and Reliability (U.K.), Computational Statistics and Data Analysis (U.S.A.), International Journal of System Science (U.K.), Mathematics and Computer in Simulation (U.S.A.), Journal of Statistical Computation and Simulation (U.S.A.), International Journal of Systems Assurance Engineering and Management (U.S.A.), Statistical Methods and Applications (U.S.A.), Journal of Mathematical and Computational Science (U.K.), Journal of Quality in Maintenance Engineering (Saudi Arabia), Communication in Statistics (U.S.A.). Thus, so far, 81 students have completed their Ph.D. degrees each with good publications under the faculty members of this Department More so, 259 students have also completed their M. Phil Projects under the faculty members of this Department

The M.Sc./M.Phil./Ph.D. Statistics passed students have the job opportunities in various Government and Private Sectors such as: Indian Statistical Services, Ministry of Planning (Research Officer), Ministry of Transport (Operations Research Officer), DRDO (Scientist), NCERT (Education/Research), National Banks (Statistical Officer), LIC (Actuaries), Higher Education (Teaching and research), U.P. Public Service Commission, Dist. Information Officer and Dist. Statistical Officer, Forest (Statistical Officer). Corporate Sector companies like Infosys, TCS, HLL, HCL, oracle, SPSS as Reliability Analyst, Data Analyst, Research Programmer.

Government Aided Programme(s) offered

(i) **M.Sc. (Statistics) Programme (CBCS)**

It is a two-year (four semesters) full time course in CBCS mode. In each semester, there are four theory courses and one practical. It includes an open elective in each semester.

(ii) **M.Phil. Programme**

It is a two-semester course with four theory and one practical course and a project.

(iii) **Ph.D. Programme**

The broad areas of research are-Reliability Engineering, Survival Analysis, Computational Statistics, Bayesian Analysis, Quality Control, Operations Research and Applied Statistics.

Open electives offered by the department for CBCS students of other departments are Essential Statistics and Applied Statistics in 2nd and 3rd semester, respectively.

32. Department of Toxicology

The Toxicology Course on regular basis at CCS University, Meerut was established in 2004 with the support from University Grants Commission, New Delhi. Foundation of the course was supported by CCS University, Meerut. About 230 students thus far have attended the course and many of them hold important positions in India and overseas.

Toxicology is the science of chemical safety. Aim and mission of Toxicology is to identify potential harmful effects of chemical compounds to humans, animals and the environment and to provide for their prevention and treatment. Appropriate experimentation and expert judgment allow minimizing the probability of the occurrence of adverse effects, which in the past have sometimes been of catastrophic dimension. Toxicology is a multidisciplinary science based upon physiology, biochemistry, molecular biology, chemistry, pharmacology, pathology, epidemiology and several others. Comprehensive education and training on an up-to-date level of toxicological science is mandatory.

Department has well equipped laboratory with GLC, HPLC, Western blotting, ELISA, Cooling centrifuges, Fluorescent microscope, Inverted Phase contrast microscope, Probe sonicator, Histopathology facility, Deep freezer (-80°C and -20°C), Biosafety cabinet, CO₂ incubator

Government Aided Programme(s) offered

(i) M. Sc. Programme (CBCS)

It is a two-year (four semesters) full time programme in CBCS mode having 16 courses and one practical in each semester along with an open elective. Students undergo training at IITR, NIOH, NIPER, DRDO and other apex institutes in the country.

(ii) M. Phil. Programme*

It is a two-semester course. In this programme, efforts are made to fully train students for higher education and research. Besides four Government Aided Programme(s), a student independently works on a research project. Thus, theoretical as well as practical training is offered simultaneously. The program has helped the students to clear the NET/GATE examinations.

(iii) Ph.D. Programme

The department pursues research in the areas of Biochemical Toxicology, Therapeutic/toxicological evaluation of Nanoparticles (using *in vivo* and *in vitro* models). The department has excellent research laboratory equipped with sophisticated instruments to carry out researches of an international standard.

Open electives offered by the department for CBCS students of other departments are Forensic science and Health and Hygiene. (*Under final approval)

33. Department of Zoology

The Department was established in 1977. The Department was recognized as DST-FIST department by Department of Science and Technology, Government of India. The Department has also been awarded Innovative Assistance Programme (IAP) by the UGC. The department provides advance education at M.Sc., M. Phil. and Ph.D. levels. Besides giving thorough grounding in basic Zoology, it lays emphasis on deep understanding of applied aspects of Cell and Molecular Biology, Biochemistry, Physiology, Immunology, Genetics, Ecology and Animal Behaviour.

With a team of well-qualified teachers, the department offers specialization in the areas of Endocrinology, Chronobiology and mechanisms of Animal Behaviour, Parasitology, and Fish and

Fisheries. The department has well equipped laboratories for Parasitology and Molecular Taxonomy, Nematology, and Basic and Applied Chronobiology. Research activities are supported by Government funding agencies like UGC, DBT, DST and CSIR. Though the central library caters the need of students, the department has its own library.

Government Aided Programme(s) offered

(iv) M.Sc. (Zoology) Programme (CBCS)

It is a two-year (four semesters) full time course in CBCS mode having 16 courses with specialization in Endocrinology, Chronobiology and Mechanisms of Behaviour, Fish and Fisheries and Parasitology. It includes one open elective in each semester.

(v) M. Phil. (Zoology) Programme

It is a two-semester course. In this programme, efforts are made to fully train students for higher education and research. Besides four Government Aided Programme(s), a student independently works on a research project. Thus, theoretical as well as practical training is offered simultaneously. The program has helped the students to clear the NET/GATE examinations.

(vi) Ph.D. Programme

The department pursues research in the areas of Molecular Taxonomy, Parasitology, Biomonitoring, Nematology, Immunoparasitology, Fish Biology, Physiology and Chronobiology. The department has excellent research laboratories equipped with sophisticated instruments to carry out researches of a high standard.

Open electives offered by the department for CBCS students of other departments are Poultry Production and Management and Wild-Life and Conservation in 2nd and 3rd semester, respectively.

35. Department of Biotechnology

Biotechnology has rapidly emerged as an area of activity having potential impact on virtually all domains of human welfare, ranging from food processing, protecting the environment, and increasing the agricultural productivity to human health. The total volume of trade in biotechnology products is increasing sharply every year and it is expected to soon become the major contributor to the world trade.

The Department of Biotechnology was established in the year 1996 under self-financed programme. The department has well equipped laboratories with horizontal and vertical electrophoresis systems, PCR Thermal cycler, -20°C Refrigerator, Electronic Balances, Laminar Air Flow Hoods, UV-Visible Spectrophotometer, Pentium-4 Computer, UV Trans illuminator, Refrigerated Centrifuges, Water Distillation Unit, Micropipettes, Gel Documentation System, Hybridization Oven, BOD Incubator with Shaker, ELISA reader, LCD projector, slide projector, etc. The department plans to procure a few other major equipment in near future.

(i) M.Sc. (Biotechnology):

It is a two-year (four semesters) full time, self- Financed Programme with dissertation work in the fourth semester. The project work can be completed in-house and/or other scientific/professional laboratory.

Co-ordinator: Dr. Shailendra S. Gaurav, Department of Genetics and Plant Breeding, University Campus

36. Department of Environmental Sciences

The objective of the department is to become a world-class centre of excellence for Environmental Science. The department of Environmental Sciences was established in 1996 with a mission to impart quality education and research in different disciplines of Environmental Science. Within a period of twenty-four years, the Department has attracted students from India and abroad. The department has made significant contribution producing about 180 postgraduates who are distributed far and wide. The successful students of the Department are disseminating environmental education to Society through their respective profession.

(i) M.Sc. (Environmental Science)

It is a two-year (four semesters) full time, self- Financed Programme with summer training and project work.

Coordinator: Prof. A.K. Chaubey, Department of Zoology, University campus

37. Department of Home Science

Home Science department was established in 2004. Home science is an interdisciplinary subject involving the study of foods and nutrition, human development, resource management, textile and clothing, extension education, and communication. Each of these aspects is multidisciplinary in dealing with the Art and Science of living. Therefore, during the study of Home Science, strong emphasis is placed on the individual, the family, and the community as a whole. The department is well equipped with autoclaves, laminar airflow hood, incubators, ovens, heating plates and high-quality microscopes for microbiology studies. Calorimeters, pH meters, laboratory centrifuge, water bath, distilled water unit, energy regulator sterilizer and all necessary equipment for biochemistry studies are also available. For hands-on experience of the students, outreach activities (like health camp, canteen projects, health awareness programmes) are planned and implemented regularly. Courses have been expanded and diversified to meet the emerging needs and challenges in the area of Food and Nutrition.

Consequently, considering the importance that Home Science places on human development across the life span, the following programmes of study are offered by the Department

(i) M.Sc. (Human Development) (only for girls):

It is a two-year (four semesters) full time, self-financed programme.

Multidisciplinary approach to the curriculum is provided by drawing theoretical and practical perspectives from ecology, psychology, education, philosophy, sociology, anthropology and social work. The curriculum focuses on inclusion of life-span approach.

(ii) M.Sc. (Food and Nutrition) (only for girls):

It is a two-year (four semesters) full time, self-financed programme.

Food and nutrition play a key role in promoting quality of life of individual as well as community. The excellent academic program is supported by easy access to the department, library, laboratories, computer and other necessary facilities.

Coordinator: Dr. Archana Sharma, Principal, R. G. College, Meerut

Faculty of Engineering and Technology

1. Sir Chhotu Ram Institute of Eng. And Technology (SCRIET) 52

37. Sir Chhotu Ram Institute of Engineering and Technology (SCRIET)

SCRIET was established in the year 2002 to provide education in Engineering and Technology to the aspiring youth. The education in Agriculture Engineering, Chemical Engineering, Computer Science, Electronics and Communication, Electrical and Instrumentation, Information Technology and Mechanical Engineering branches is provided at undergraduate level (B.Tech.) on self-financed basis. The admissions to these courses are carried out as per AICTE norms. The main pool of candidates comes from the entrance test conducted by Abdul Kalam Technical University. However, for remaining seats vacant after such admissions will be filled by candidates registered on the online admission portal of the CCS University, Meerut (www.ccsuweb.in) as per online merit generated.

SCRIET also runs MCA course recognized by AICTE and B.Sc. (Computer Science Honours)

Self-Financed programmes offered

- (i) **B.Tech.:** It is a Four-year (8-semester) programme.
There are 7 Branches (Agriculture Engineering, Chemical Engineering, Computer Science, Electronics and Communication, Electrical and Instrumentation, Information Technology and Mechanical Engineering)
- (ii) **M.C.A.:** It is a three-year (6-semester) programme.

Director: Prof. Jaimala

Deputy Director: Dr. Rajeev Sijariya

Number of Seats and Eligibility Conditions for Admission to the Government Aided Programme(s)

10% EWS seats are additional to each course

Programmes of Study **No. of Seats** **Minimum Eligibility Criteria**

Faculty of Agriculture

M.Phil. Programmes-1 year

- | | | |
|--------------------------------|----|--|
| 1. Genetics and Plant Breeding | 10 | Master's degree in Genetics and Plant Breeding/ Agricultural Botany/ Botany/ Biotechnology/Seed Science with 55% marks. Bachelor's Degree with an aggregate of 55% marks, and second division in Intermediate examination; or 50% marks in bachelor's degree as well as Intermediate examination separately. Moreover, the minimum qualifying marks required are 50% in the entrance test. |
| 2. Horticulture | 05 | Master's degree in Horticulture with 55% marks. Bachelor's Degree with an aggregate of 55% marks, and second division in Intermediate examination; or 50% marks in bachelor's degree as well as Intermediate examination separately. Moreover, the minimum qualifying marks required are 50% in the entrance test. |

M.Sc. (Ag.) Programme-2 year (4 Sem.)

- | | | |
|---------------------------------------|----|---|
| 1. Genetics and Plant Breeding (CBCS) | 15 | Four years bachelor's degree in Agriculture with 50% marks in the aggregate for Gen/OBC candidates. |
|---------------------------------------|----|---|

Faculty of Arts

M.Phil. Programmes-1 year

- | | | |
|----------------------|----|---|
| 1. English | 10 | Master's degree in concerned subject with 55% marks. Bachelor's Degree with an aggregate of 55% marks including the concerned subject (wherever applicable), and second division in Intermediate examination; or 50% marks in bachelor's degree as well as Intermediate examination separately. Admission to M Phil Psychology need M.A. in Psychology/ Clinical Psychology/ Health Psychology/ Applied Psychology/ Cognitive Science/ Cognitive Neuroscience/ Counselling Psychology-/ Behavioral Sciences). Moreover, the minimum qualifying marks required are 50% in the entrance test. |
| 2. Urdu | 05 | |
| 3. Economics | 10 | |
| 4. History | 10 | |
| 5. Political Science | 10 | |
| 6. Psychology | 10 | |
| 7. Sociology | 10 | |
| 8. Hindi | 05 | |
| 9. Sanskrit | 05 | |

Note: Candidates having M.A. in Public Administration are also eligible for admission in M.Phil. Political Science.

M.A. Programmes (CBCS)-2 year (4 Sem.)

1. English	20	<p>Bachelor's Degree with the concerned subject as one of the main subjects. Note: Subject to deduction as per Note #6 on page 56: (i) For admission to M.A. (Sociology), candidates having B.Sc. Or B.B.A. degree is also eligible. (ii) For admission to M.A. (Economics), candidates having B.A./ B.Sc. degree with Mathematics as one of the main subjects, or at 10+2 level; or those with B.B.A./ B.Com./ B.C.A. degree, are also eligible. (iii) For admission to M.A. Psychology all Bachelors degree holders, with minimum 50% marks in the qualifying degree are eligible. A weight of 5% for Psychology and an additional weight of 2% for Honours in graduation in Psychology/ Health Psychology/ Applied Psychology. (See #5 of the Note given on Page No. 56 for calculating the percentage in the subject).</p>
2. Hindi	20	
3. Urdu	20	
4. Economics	20	
5. History	20	
6. Political Science	20	
7. Psychology	20	
8. Sociology	20	

PG Diploma/ Diploma/ Certificate Programmes-1 year

1. Advanced Diploma in Russian Language and Literature.	05	Graduation in any discipline and 48% marks in Diploma in Russian Language or equivalent.
2. Diploma in Russian Language	10	45% marks in Intermediate and 48% marks in Certificate of Proficiency in Russian or equivalent.
3. Certificate of Proficiency in Russian	20	10+2 or Higher Secondary in any discipline with 45% marks.

Faculty of Education

1) Master of Education (M.Ed.) 2 year	25	<p>Minimum 50% marks or an equivalent grade in B.Ed./ B.A.-B.Ed./ B.Sc.-B.Ed./ B.El.Ed./ D.El.Ed. with an undergraduate degree (50% marks) Note: Reservation and relaxation for SC/ST/OBC/PWD and other applicable categories shall be as per the rules of the Central/State Govt. whichever is applicable.</p>
2) M.Phil. in Education** 1 year	10	<p>M.Ed. degree with 55% marks and B.Ed. with 50% marks in Theory and Practical separately, or 55% in aggregate. Moreover, the minimum qualifying marks required are 50% in the entrance test.</p>

Note: M.Ed. programme is also running in affiliated colleges in government aided and self-finance mode. From this year the admission to this programme in University campus and affiliated colleges (Government aided and self-finance) will be made through a combined entrance examination and no separate test will be organized for affiliated colleges (Government aided and self-financed). At the time of counselling, candidate who appeared in combined entrance examination can opt for university campus or government aided college or self-financed college as per his/her merit index.

** M.Phil Education programme is also running in affiliated colleges under self-financed scheme. Admission to this programme in University campus (Government aided mode) and affiliated college (Self-financed mode) will be made through this combined entrance examination and no separate test shall be organized for affiliated colleges (Self-financed). Candidate(s) who qualify combined entrance examination can opt online for University campus or self-financed college; however, allocation priority shall be decided as per his/her merit index.

Faculty of Science

M.Phil. Programmes-1 year

1. Botany	10	Master's Degree in the concerned subject with 55% marks. Bachelor's Degree with an aggregate of 55% marks including the concerned subject, and second division in Intermediate examination; or 50% marks in bachelor's degree as well as Intermediate examination separately. Moreover, the minimum qualifying marks required are 50% in the entrance test.
2. Chemistry	10	
3. Mathematics	10	
4. Physics	10	
5. Statistics	10	
6. Zoology	10	
7. Microbiology	05	
8. Toxicology*	05*	

Note: Candidates having M.Sc. Microbiology/ Applied Microbiology/ Medical microbiology are eligible for M.Phil. Microbiology.

For admission to M.Phil. Toxicology candidates having M.Sc. degree in Toxicology / Pharmacology/ Forensic Science are eligible.

*Under approval.

M.Sc. Programmes (CBCS)-2 year (4 Sem.)

1. Botany	20	B.Sc. Degree (with the concerned subject as one of the main subjects) with 45% marks in aggregate and 50% marks in the subject. (See #5 given on Page No. 56, for calculating the percentage in the subject). Note: Subject to deduction as per Note #6 on page 56. (i) For admission to M.Sc. (Statistics), candidates having B.A./B.Sc. Degree with Statistics/ Mathematics are eligible.
2. Chemistry	20	
3. Mathematics	20	
4. Microbiology	20	
5. Physics	20	
6. Statistics	20	
7. Toxicology	20	
8. Zoology	20	

- (ii) For admission to M.Sc. (Microbiology)(CBCS), candidates having B.Sc. degree with CBZ/ M.L.T./ Biotechnology/ B.Sc. Food Microbiology safety and Quality control and Microbiology are also eligible.
- (iii) For admission to M.Sc. (Physics), candidates having B.Sc. degree with Physics and Mathematics along with Statistics are also eligible.
- (iv) For admission to M.Sc. (Toxicology), candidates having B.Sc. degree with Chemistry, Botany, Zoology/Forensic Science are eligible.
- (v) For admission to Master's degree in Mathematics, candidates having BA degree in Mathematics are also eligible. Such candidates will however get the degree of M.A. Mathematics

Note:

1. Candidates, who already have a post-graduate degree as a regular candidate, are ineligible for admission to another regular post-graduate programme, provided the same can be pursued as a private candidate.
2. For SC and ST candidates, 5% relaxation in the above minimum eligibility conditions of percentage of marks in respect of qualifying examination will be applicable unless otherwise mentioned.
3. Candidates who are appearing in the final year/semester examination of their PG degree programme are eligible to apply provisionally for M.Phil. entrance examination only. For admission to M.Ed. course, only those candidates, whose result of qualifying degree has been declared before the last date of filling-up of the Entrance examination form, are eligible to apply for admission.
4. Two percent marks shall be deducted for each year of gap from qualifying degree for the purpose of calculation of merit index, without affecting the division of the candidate. However, for Government Aided PG in those subjects, which are available for private candidates, a gap of more than two years will not be permissible. However, this rule will not be applicable for Certificate, Diploma and PG Diploma courses.
5. **Calculation of merit index, for admission to PG courses, will be on the basis of aggregate marks in UG, provided 50% marks are obtained in the concerned subject.**
6. Without affecting the division category, a flat 5% deduction from the Merit Index would be made in case of admission to the PG courses (wherever applicable), if a subject has not been pursued as one of the main subjects at the UG level and requested for admission in that particular subject at the PG level. The other subject/course eligibilities listed for admission to a PG course will also be subjected to flat 5% deduction.
7. For taking admission to M.A. in Hindi/Urdu/English/Sanskrit, the concerned subject should have been pursued at the U.G. level.
8. Unless specified, no candidate shall be allowed to take admission in any PG course, without passing the 10+2+3 or 11+1+3 pattern.

Number of Seats and Eligibility Conditions for Admission to the Self-Financed programmes

<u>Programmes of Study</u>	<u>Seats</u>	<u>Minimum Eligibility Criteria</u>
Faculty of Arts		
(1) M.Phil. in Journalism and Mass Communication (Self Finance)	10	Master's degree in concerned subject with 55% marks. Bachelor's Degree with an aggregate of 55% marks

including the concerned subject (wherever applicable), and second division in Intermediate examination or 50% marks in Bachelor's degree as well as Intermediate examination separately. Moreover, the minimum qualifying marks required are 50% in the entrance test.

M.Sc. (Ag.) Programmes

(2) Food Science and Technology	20	Bachelor's Degree in Agriculture/ Biology (CBZ) Food science/ Bachelor's Degree (with Food Science as a subject) with 50% marks.
(3) Seed Science and Technology	30	Bachelor's Degree in Agriculture/Seed science/ Biology Group (CBZ) with 50% marks.
(4) M.Sc. Ag. (Entomology)	30	Bachelor's degree in Agriculture/ Horticulture/ Forestry/ B.Sc. degree with Chemistry, Botany, and Zoology/ with 50% marks.
(5) M.Sc. Ag. (Plant Pathology)	30	Bachelor's degree in Agriculture/ Horticulture/ Forestry/ B.Sc. degree with Chemistry, Botany, Zoology/ Microbiology/ Biotechnology with 50% marks.

M.A. and Other Masters Programmes

(6) M.A. Sanskrit	20	Bachelor's Degree with the concerned subject, as one of the main subjects.
(7) Master of Fine Arts (Painting) (MFA)	30	B.F.A./B.A. degree (including concerned subject) with 50% marks in the aggregate.
(8) Geography (M.A./M.Sc.)	20	Bachelor's Degree (including the concerned subject) with 45% marks in the aggregate and 50% marks in the subject. <i>Note:</i> For calculating the percentage in the subject, see Note #5 given on Page No. 56.
(9) Master of Journalism and Mass Communication (M.J.M.C.)	40	Bachelor's degree in any discipline (preferably B.J.M.C.) with 45% marks for General and OBC.
(10) Master of Social Work (M.S.W.)	20	Bachelor's Degree in any discipline with 48% marks.
(11) Master of Physical Education (M.P.Ed.)	30	Bachelor of Physical Education (B.P.Ed.) or equivalent with at least 50% marks. <i>Note:</i> The relaxation in the percentage of marks in the qualifying examination and in the reservation of seats for SC/ST/OBC/PWD and other categories shall be as per the rules of the Central Government/State Government, whichever is applicable.
(12) Master of Library and Information Science (M.L.I.Sc.)	30	B.Lib.Sc. or B.L.I.Sc. with 50% marks
(13) LL.M.	120	LL.B. (3 years/5years course) with 50% marks.
(14) Master of Public Administration (MPA)	30	Bachelor's Degree with 50% marks in any discipline.
(15) M.A. Mass Media	20	Bachelor's of degree in any discipline with 45% marks and knowledge of reading writing in Urdu is essential
(16) M.B.A. (Hospital Administration) 2 years Course	60	Bachelor Degree with 41% marks.
(17) M.B.A. (Hospital Administration) 5 years Integrated Programme	60	10+2 with 50% marks.
(18) M.B.A. 2 years Programme	60	Bachelor's Degree with 45% marks.

- | | | |
|--------------------|----|--|
| (19) MCA 3 years | 60 | BCA/B.Sc. Computer Sc./ Computer Application with 50% marks. |
| (20) M.Com. (CBCS) | 40 | Graduate in Commerce or Management with 55% marks. |

PG Diploma/ Diploma/ Certificate Programmes

- | | | |
|---|----|--|
| (21) PG Diploma in G.I.S and Remote Sensing | 15 | Second Class Bachelor's Degree (45% marks) in any discipline. |
| (22) Diploma in Urdu Proficiency (DUP) | 10 | Intermediate with 45% marks |
| (23) Advanced Diploma in French Language and Literature | 05 | Graduation in any discipline and 48% marks in Diploma in French Language or equivalent. |
| (24) Diploma in French Language | 10 | Intermediate (45% marks) and 48% marks in Certificate of Proficiency in French or equivalent. |
| (25) Certificate of Proficiency in French | 20 | 10+2 or Higher Secondary in any discipline with 45% marks. |
| (26) Post Graduate Diploma in Yoga Education (P.G. D.Y.Ed.) | 30 | Bachelor's Degree (10+2+3) with at least 45% marks with medical Fitness certificate from Civil Assistant Surgeon and general flexibility test, on the basis of merit. Age limit 40 years as on 1st June. |

M.Sc./Master Programmes

- | | | |
|--|----|--|
| (27) Biotechnology | 30 | Bachelor's degree in Biology (CBZ)/ Biotechnology/ Microbiology, B. Pharma or B.Tech. Biotechnology or Bachelor's degree in Laboratory/Medical laboratory techniques with 50% marks. |
| (28) Biochemistry | 20 | Bachelor's degree with PCM/CBZ/MLT with 50% marks. |
| (29) M.Sc. Chemistry (specialization- Polymer Science and Chemical Technology) | 20 | Bachelor's Degree with (PCM/CBZ/Polymer Science), B.E./B.Tech. (in any branch) with 50% marks. |
| (30) Applied Microbiology | 20 | Bachelor's degree in Biology group (CBZ)/ Microbiology/ Biotechnology/B.Sc. (M.L.T.)/ B.Sc. Food Microbiology safety and Quality Control with 50% marks are also eligible |
| (31) Medical Microbiology | 20 | Bachelor's degree in Biology group (CBZ)/Medical (MBBS/BDS)/Paramedical (BMLT) and Allied subject (B.V.Sc) with 50% marks are also eligible |
| (32) Bioinformatics | 20 | Bachelor's degree in Biology group (CBZ)/ B.Sc.(Ag.)/ Biotechnology/ Computer Science/ Mathematics/ Statistics/ Microbiology/ BMLT with 50% marks |
| (33) Environmental Science | 20 | Bachelor's Degree in Science (CBZ/PCM), B.Sc. in Microbiology/ Biotechnology, MBBS/ BDS/ B.E./ B.Tech. in Civil Engineering with 50% marks |
| (34) Home Science – Food and Nutrition (for girls only) | 30 | 50% marks in B.Sc. Home Science/B.Sc. Home Sc. with Clinical Nutrition and Dietetics/B.Sc. in Food and Nutrition. |
| (35) Home Science – Human Development (for girls only) | 20 | B.Sc. Home Science with 50% marks. |

Bachelor's Programmes

- | | | |
|--|----|---|
| (36) B.A (Honours) Economics | 40 | Intermediate with minimum 60 percent Marks from any recognized board. Mathematics at intermediate level will be desirable |
| (37) Bachelor of Library and Information Science (B.L.I.Sc.) | 50 | Bachelor's Degree (45% marks) in any discipline under 10+2+3 system |

Ch. Charan Singh University, Meerut

Campus Information Brochure, 2020-21

(38) BA- LL.B. (Five-year course)	60	10+2 with 45% marks
(39) Bachelor of Journalism and Mass Communication (B.J.M.C.)	50	10+2 with 45% marks for Gen, OBC and 40% marks for SC/ST (All streams)
(40) B.Sc. (Food Microbiology, Safety and Quality Control)	30	10+2 (Biology/ Agriculture) with 33% marks
(41) B.Sc. (Honours) Chemistry	40	10+2/Intermediate with either Physics, Chemistry, Mathematics or Physics, Chemistry, Biology from any recognised Board.
(42) B.Com. (Honours)	60	10+2/Intermediate with at least 60% marks aggregate.
(43) BA (Honours) Hindi		10+2/Intermediate with at least 60% marks aggregate
(44) BSc (Honours) Computer Science		10+2/Intermediate with at least 60% marks aggregate
(45) B.B.A.	60	10+2 with 45% Marks for Gen./OBC and 40% marks for SC/ST (All streams)
(46) Bachelor of Physical Education (B.P.Ed.)	50	Bachelor's degree in any discipline with 50% marks and having at least participation in the Inter-College/Inter-Zonal/District/School Competition in sports and games as recognized by the AIU/IOA/SGFI/Govt. of India. or Bachelor's degree in Physical Education with 45% marks. or Bachelor's degree in any discipline with 45% marks and studied physical education as compulsory/elective subject. or Bachelor's degree with 45% marks and having participated in National/Inter University/State competitions or secured 1st, 2nd or 3rd position in Inter College/Inter-Zonal/District/School competition in sports and games as recognized by the AIU/IOA/SGFI/Govt. of India. or Bachelor's degree with participation in International competitions or secured 1 st , 2 nd or 3 rd position in National/Inter-University competition in sports and games as recognized by respective federations/ AIU/IOA/ SGFI/Govt. of India. or Graduation with 45% marks and at least three years of teaching experience (for deputed in-service candidates i.e. trained physical education teachers/coaches)

Note: The relaxation in the percentage of marks in the qualifying examination and in the reservation of seats for SC/ST/OBC and other categories shall be as per the rules of the Central Government/State Government, whichever is applicable.

Note:

1. For SC and ST candidates, 5% relaxation in the minimum eligibility conditions of percentage of marks in respect of qualifying examination will be given (except in cases, where specified otherwise). EWS seats shall be appended as per GoUP guidelines.
2. Two percent marks shall be deducted for each year of gap from qualifying degree for the purpose of calculation of merit index, without affecting the division of the candidate. However, for Government aided PG in those subjects, which are available for private candidates, a gap of more than two years will not be permissible. However, this rule will not be applicable for Certificate, Diploma and PG Diploma courses.

3. *Unless specified, no candidate shall be allowed to take admission in any PG course, without passing the 10+2+3or 11+1+3 pattern.*
4. **The University reserves the right to discontinue any course/ programme at any time. If application forms are less than 60% of the approved number of seats in any self-financed course, such course will be discontinued, and no admissions will be made during the session 2020-21.**

Admission Related Information

Admissions to M.Phil. (Botany, Chemistry, Mathematics, Physics, Statistics, Zoology, Microbiology, Toxicology*, English, Urdu, Economics, History, Political Science, Psychology, Sociology, Hindi, Sanskrit, Journalism and Mass Communication, Education, Physical Education, Genetics and Plant Breeding, Horticulture), M.Ed., LL.M. in University Campus and affiliated Colleges) shall be made through Entrance Tests conducted by the University, which shall be followed by counselling. For admissions to M.P.Ed. and B.P.Ed., a physical fitness test shall be conducted by the University on a date announced by the university, which shall be followed by counselling to allocate respective centres. The medium of Entrance Test will generally be English, except in case of the language courses. For the rest of the courses including Masters, Bachelors, Diploma and Certificate programmes, the admissions shall be made on the basis of **online Merit List generated on a common portal (www.ccsuweb.in) for both, the University Campus and the affiliated colleges.**

In case of any ambiguity and dispute, the decision of the Admission Committee shall be final. No admission to any Degree/ Diploma/ certificate course shall be made without registration on respective website of the University.

Application Form and Information Brochure

The Information Brochure and the online Application Forms are available on the University website for Admission: www.ccsuniversity.ac.in

Note The candidates are required to submit a separate application form for each course, for which Entrance Test will be held.

Entrance Test-cum-Application Fee

The fee (Rs. 700/- for General and OBC, and Rs. 500/- for SC/ST candidates) for the Entrance Test is charged **online while filling up** the Application Form through e-payment, and no separate fee will be charged for the entrance test.

Submission of Application Form

- (i) **For M.Phil., M.Ed., M.P.Ed., B.P.Ed., LL.M. and**, the application forms shall be filled-up and submitted online (www.ccsuniversity.ac.in). Candidate will be required to submit the printed and signed copy of the downloaded Application form along with photocopies of mark sheets and certificates at the time of counseling for admission. The result of the qualifying course examination should reach the said office before the declaration of result of entrance examination.

The soft copy of the filled up entrance test form along with all the certificates (D.O.B., Caste, High School, Intermediate, general undergraduate, subject related UG, Post graduate,

weightage related) as may be necessary to evaluate eligibility, should be presented to admission official online, (and may in some cases, where required) and or through video/personal meeting if asked by Office of the Dean, Students' Welfare, C.C.S. University, Meerut-250004, on date(s)/ schedule(s) given by the University. The result of the qualifying course examination should reach the said office before the declaration of result of entrance examination.

- (ii) The dates of fitness tests for B.P.Ed., M.P.Ed. will be announced through website and newspapers. Counselling dates of M.Phil., M.Ed., LL.M. courses will also be announced after declaration of entrance test results.
- (iii) If the applicant's name appears in the online Merit List(s), he/she will be required to submit the hardcopy of the filled-up application form along with the self-attested copies of all the required mark-sheets, degrees, certificates, other documents and the fee submission proof at the concerned Department of the University Campus/College at the time of admission. A merit list will stay active for the time specified on the website only. Once the next merit list is published the claim of the applicants on previous merit list will be cancelled.
- (iv) Application Forms incomplete in any respect shall be rejected straightaway.
- (v) Application form is to be filled by the student carefully, online only. Instructions for filling the form, shall be available on the university website. University discourages students to personally visit the campus for personal admission related queries for year 2020-21. Students must provide their own mobile number and email ID. The University will not be responsible, if one loses the chance of admission on account of wrong information in the application form

Except in case of M.Ed., the candidates appearing in final year/last semester of the qualifying examination may be allowed to appear only provisionally in the Entrance Test. However, their position in the Merit List will be subject to fulfilling the eligibility requirements. A candidate must have secured 50% marks in B.Ed./B.A.- B.Ed./B.El.Ed./D.El.Ed with an undergraduate degree (with 50% marks in each) before applying for the M.Ed. Entrance Test. Reservation and relaxation for SC/ST/OBC/PWD and other applicable categories shall be as per the rules of the State Government whichever is applicable. Reservation clause(s) to shall be applicable as per Government order.

- (vi) A candidate having passed his/her qualifying examination as a private candidate shall furnish a certificate (not older than six months) of good conduct from the Principal of the College or Gazetted Officer or an M.L.A./M.P. In case of the candidates of the departments of Chaudhary Charan Singh University Campus, the Admission Committee shall see that there is nothing against the candidate, which may debar him/her from seeking admission in the class he/she has been selected for admission.
- (vii) The self-attested copies of the certificates, mark-sheets and other documents enclosed along with the application form shall be verified from the original documents at the time of admission.
- (viii) Attestation of the photograph done only by the Principal of an Intermediate/ Degree/ Post-Graduate College/ Head of the Department of University/Gazetted Officer will be accepted.

Entrance Test

The courses, for which entrance tests will be held, the following rules will be uniformly applied as per the C.C.S. University Executive Council Resolution No. 18, dated 2.5.2015:

- 1. For each correct answer one mark will be awarded. No negative marking for any wrong answer. However, in the OMR sheet, if a candidate selects more than one choice/answer for a particular question, the said answer will not be considered.**

2. The weightages will be added as mentioned in the subheading 'Weightages' and deductions will be considered @ 2% per year of gap up to a maximum of 8% for the candidates being admitted through entrance test.
3. In case, two or more candidates obtain equal marks in entrance test of a course, the merit will be decided on the basis of higher marks obtained in the qualifying (eligibility) examination and if they are also equal, then the merit will be decided on the basis of seniority in age.

In all the cases, the decision of the Admission Committee will be final.

For admission to the M.Phil. courses, the Entrance Test will be based on a single question paper of 2 hours duration containing 100 objective type questions, based on 50:50 ratio between the research methodology and subject, each with multiple choices having only one best amongst the given choices. 50 questions in the question paper will be based on the syllabus for M.A./ M.Sc./ M.Sc.(Ag.)/ M.Ed. courses in the respective subjects of Ch. Charan Singh University, Meerut, whereas 50 questions will be based on the following syllabus of research methodology.

Syllabus of Research Methodology:

Research: Purpose, Need and Significance

Research: Meaning, Types and Characteristics

Research: Policies, Practices and Approaches

Research Problem: Identification, Characteristics, Objectives, Hypotheses Assumptions

Methods of Research: Experimental, Descriptive, Historical, Qualitative, Quantitative, Mixed Methods.

Steps of Research

Population and Sampling

Research Data: Sources, Acquisition and Classification

Types of Data: Quantitative, Qualitative

Data Collection Tools and Techniques

Research Data: Representation

Data Interpretation and Analysis

Mathematical Reasoning

Logical Reasoning

Application of ICT in Research

Research Ethics

Research and Social Media

Note:- In case of M. Phil., the minimum qualifying marks required are 50% in the entrance test.

For admission to LL.M. course of the University Campus and some affiliated colleges, the application form will be filled up and submitted as mentioned above. The Entrance Test will be of a single question paper of 2 hours duration containing 100 objective type questions, based on 10 questions each from 10 papers of the subject, namely: Jurisprudence, Constitutional Law of India, Law of Crime (IPC), Law of Contract (General principles of contract), Law of Torts, Public International Law, Family law (Hindu and Muslim Law), Environmental Law, Administrative Law and Company Law, each with multiple choices having only one best amongst the given choices. If the candidate is selected for the first preference, then his/her name will not appear in the merit lists of other colleges/Campus.

For admission to B.P.Ed. and M.A.Ed. courses offered in C.C.S. University campus and affiliated colleges, students will have to apply through online portal of the University. The admissions in B.P.Ed. and M.P.Ed. Programme will be based on the following criteria:

1. The specific admission criteria by taking the following components for B.P.Ed. and M.P.Ed. Courses will be:

A. Physical Fitness Test	:	50 Marks
B. Sports Achievements	:	18 Marks
C. University Weightage	:	08 Marks
D. Academic Weightage (for qualifying exam)	:	14 Marks (First Div.-14 Marks and II Div.-10 Marks)
E. Interview	:	<u>10 Marks</u>

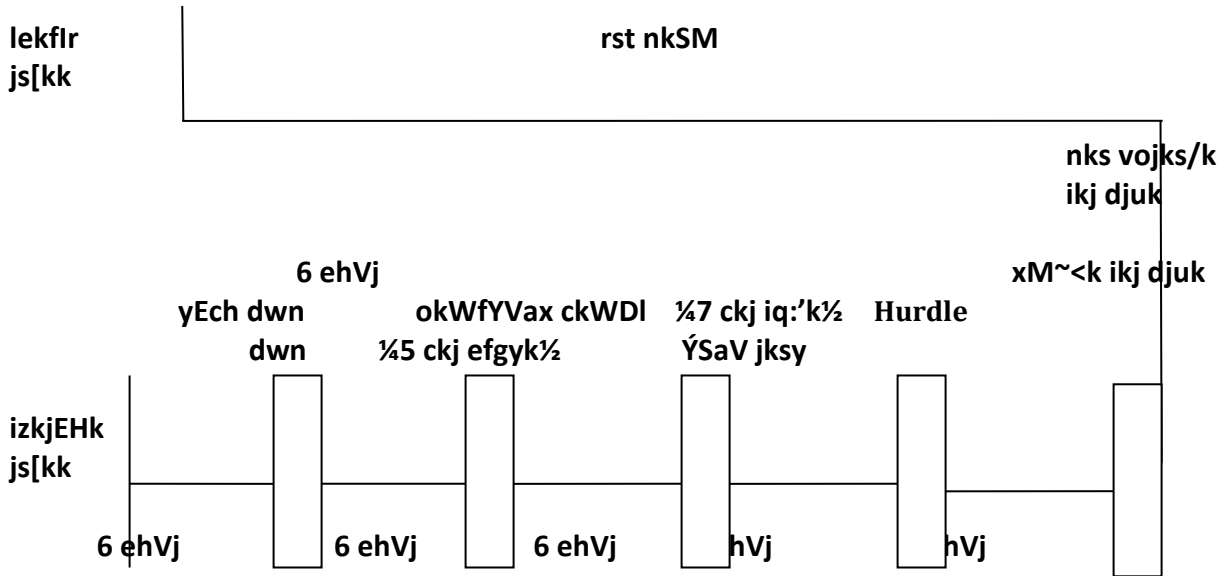

Grand Total: 100 Marks

2. The Physical Fitness Test shall be for 50 marks; **Appendix "1" shall be applicable for** specific marking of performance in Physical Fitness Test.
3. **Appendix "2" shall be applicable for** assessing the sports achievements marks, out of maximum of 18.
4. **Appendix "3" contains** the criteria for assessment **for** calculating the University Weightage out of 08 marks.
5. The academic Weightage of qualifying exams for B.P.Ed. and M.P.Ed. is out of maximum 14 marks. 14 marks will be awarded for the First Division and 10 marks for Second Division. Each qualified candidate in physical fitness test shall have to undergo the process of Interview for the maximum 10 marks. The Interview Board shall assess and provide mark out of 10 marks.
6. The overall merit list will be prepared on the basis of sum of the above mentioned five components. The final merit list will be prepared as per different reservation categories of the University Provisions.

B.P.Ed.-- M.P.Ed. Sports Weightages

Applicants who qualify in written entrance test, physical fitness test-- are eligible as per the qualifying examination result, may be given the following Sports Representation Marks (up to a maximum of 18 marks only) on producing suitable, valid certificate(s) for those games only, which are listed in the AIU list.

International Level-- Position (1st - 3rd place)	18 Marks
International participation	16 Marks
Senior National Position (1st - 3rd place)	15 Marks
Senior National participation	13 Marks
All India Inter University position (1st-3rd place)	12 Marks
Inter University participation	10 Marks
Inter University Zonal Position (1st-3rd place)	09 Marks
Inter University Zonal participation	07 Marks
State Level Position (1st-3rd place)	06 Marks
State Level participation	04 Marks
Inter Collegiate participation position (1st-3rd place)	03Marks
Inter Collegiate participation	02Marks
District Level Position (1st-3rd place)	02 Marks
District Level participation	01 Marks

B.P.Ed.-- M.P.Ed.- Other Weightages

1. Ch. Charan Singh University graduates, in case of admission to postgraduate classes.
04 Marks
2. Candidates having Honors Degree in the subject in which the admission is being sought at post graduate level.
02 Marks
3. The son(s)/ daughter(s)/spouse of the employee of Ch. Charan Singh University, Meerut-- its affiliated colleges.
04 Marks
4. Candidates, who have secured C/G-II certificate of N.C.C., while pursuing the qualifying degree/class.
03 Marks

Or

Candidates, who have secured B/G-I certificate of N.C.C., while pursuing the qualifying degree/class.

02 Marks

Or

Candidates, who have served for 240 hours under N.S.S.-- participated in two camps of seven-- ten days, respectively, while, pursuing the qualifying degree/class.

03 Marks

Or

Candidates, who have served for 240 hours under N.S.S.-- participated in a camp of seven/ ten days, while pursuing the qualifying degree/class.

02 Marks

Or

Candidates, who have served for 240 hours under N.S.S.-- participated in a camp of 120 hours, while pursuing the qualifying degree/class.

01 Mark

*Note: A candidate claiming weightage/s will enclose copy/copies of relevant certificate/s in support of his/her claim with the application form, at the time of admission. No certificate presented after the date of fitness test will be entertained for eligibility or weightage purpose. In no case the total weightage of more than **eight marks (percent)** will be given to a candidate.*

For admission to M.Ed. course, the Entrance Test will be held as per the prescribed rules laid down in the G.O. as reproduced below, besides uniform rules of the University will be implemented for all the courses where admissions are given through entrance tests (Executive Council Resolution No. 18, dated 2.5.2015).

Weightages for M.A./ M.Sc./ M.Sc.(Ag.)/ LL.M.

Applicants falling under categories (i), (ii), (iii), (iv), and (v) given below will be entitled to weightages mentioned against the same. For the purpose of admission, the weightage shall be added to the percentage obtained in the qualifying examination (after calculating the percentage in case of subjects having practical papers/exams), as the case may be, while determining the rank.

- (i) A weightage of four percent will be given in case of a candidate having certificate of participation at National/ State/ Inter University level in a team/ Individual event recognised by the Association of Indian Universities (AIU) or the Indian Olympic Association (IOA) while pursuing the qualifying degree/class.
- (ii) A weightage of four percent will be given to Chaudhary Charan Singh University graduates, in case of admission to postgraduate classes.
- (iii) A weightage of two percent will be given to candidates having Honours Degree in the subject in which the admission is being sought at post-graduate level.
- (iv) A weightage of four percent will be granted to the son(s)/daughter(s)/spouse of the employee of Ch. Charan Singh University, Meerut and its affiliated colleges.
- (v) Three percent weightage will be given to those candidates, who have secured C/G-II certificate of N.C.C., while pursuing the qualifying degree/class.

Or

Two percent weightage will be given to those candidates, who have secured B/G-I certificate of N.C.C., while pursuing the qualifying degree/class.

Or

Three percent weightage will be given to those candidates, who have served for 240 hours under N.S.S. and participated in two camps of seven and ten days, respectively, while pursuing the qualifying degree/class.

Or

Two percent weightage will be given to those candidates, who have served for 240 hours under N.S.S. and participated in a camp of seven/ ten days, while pursuing the qualifying degree/class.

Or

One percent weightage will be given to those candidates, who have served for 240 hours under N.S.S. and participated in a camp of 120 hours, while pursuing the qualifying degree/class.

*Note: A candidate claiming weightage/s will enclose copy/copies of relevant certificate/s in support of his/her claim with the application form, at the time of admission. In no case the total weightage of more than **eight marks (percent)** will be given to a candidate. In case an applicant is covered under (iv) above, the total weightage admissible is up to 12 marks (percent). No weightage will affect the minimum eligibility conditions prescribed for admission, nor will affect the division category of the candidate.*

Weightages for M.Phil.

Applicants falling under categories (i), (ii), and (iii) given below will be entitled to weightages mentioned against the same. For the purpose of admission, the weightage shall be added to the marks (percentage) obtained by a candidate in the Entrance test.

- (i) A weightage of four marks, will be given in case of a candidate having certificate of participation at National/ State/ Inter University level in a team/ Individual event recognised by the Association of Indian Universities (AIU) or the Indian Olympic Association (IOA) while pursuing the postgraduate degree.
- (ii) For admission to M.Phil., no weightage will be granted to any candidate on account of holding UG/PG degree from Ch. Charan Singh University, Meerut.
- (iii) A weightage of four marks will be granted to the son(s)/ daughter(s)/ spouse of the employee of Ch. Charan Singh University, Meerut and its affiliated colleges.

*Note: A candidate claiming weightage/s will enclose copy/copies of relevant certificate/s in support of his/her claim at the time of application. In no case the total weightage of more than **eight marks (percent)** will be given to a candidate. No rounding off will be done while calculating percentage. Subject to the provisions stated above, the merit of a candidate for admission shall be judged by the total marks obtained in the **Entrance Test**. No weightage will affect the minimum eligibility conditions prescribed for admission, nor will affect the division category of the candidate*

Reservation of Seats

21%, 2% and 27% seats in all courses are reserved for candidates belonging to Scheduled Castes, Scheduled Tribes and OBC categories, respectively. However, reservation of 5% (new GO 2016), 2% and 1% will be permissible to candidates belonging to Physically Handicapped (40% or more handicap), Dependent of Freedom Fighter and Dependent of Ex-serviceman categories within each one of the SC/ST, OBC and general category. Reservation shall be given as per the prevailing government rules at the time of admission and are subject to modification by competent authority. Candidates seeking admission in economically weaker section, should be a 'general' candidate (not covered under reservation for SC, ST or OBC) and should have family's gross annual income below Rs. 8 lakhs. EWS certificate from competent authority is a must for such candidates. Applicants claiming reservation in above categories shall enclose self-attested copies of supporting certificate(s) in the given prescribed proforma along with the application.

20% Seats will be reserved for Girls horizontally.

In pursuance of the Letter No. 3-4/2017-NER, dt. November 2019 of Department of Higher Education, Ministry of Human Resource Development, New Delhi, and D.O. dated 26.2.2020

regarding the admission of Kashmiri students for the Academic Session 2020-21, at least 2 seats per course or 1 seat per course in case of professional courses may be granted supernumerary. Any subsequent information or G.O. will be uploaded as and when it arrives, if applicable.

Note: Physically handicapped candidates shall enclose a self-attested copy of the certificate issued by Chief Medical Officer of the district along with the application. In case, a candidate does not claim reservation in the application form, he/she will be treated in general category and no change would be permitted after submitting the application form. In case, the requisite number of eligible candidates of reserved categories is not available, the vacant seats may be filled by the General category candidates.

Merit List

- a. The merit list will be prepared on the basis of marks secured in the Entrance Test and weightages vis-à-vis the eligible candidates only, according to the norms admissible under the G.O. provisions. No candidate shall be included in the merit list if he/she fails to secure minimum qualifying marks in qualifying PG examination. In case of M. Phil., the minimum qualifying marks required are 50% in the entrance test. In case of M.Ed., the minimum qualifying marks required are 45% in the entrance test. However, the Entrance Test marks alone do not determine admission to the M.Ed. programme, but the entrance test scores and the academic scores (as per G.O.) combined together shall determine the merit of the student.

The result of Entrance Test will be made available on the University Website www.ccsuniversity.ac.in and will also be given for publication to major local dailies. Candidates selected for admission will be intimated by the respective departments. Qualifying the Entrance Test without fulfilling the eligibility conditions is insufficient for a candidate's claim for admission.

- b. In courses, where admission is to be made on the basis of merit without the Entrance Test, the merit of the candidates will be determined as per the common admission rules for the colleges and the University Campus. The registrations and admissions to these courses will be carried out online through the common admission portal for the affiliated colleges and the Campus.

A particular Merit List shall be displayed for 2-3 days, before being replaced by the subsequent one, if University decides so. Thus, the applicants are advised to check the Merit Lists regularly and take care of the necessary formalities pertaining to admissions.

General Rules

- (i) No person who is a history-sheeter according to the police records or has been convicted for an offence involving moral turpitude shall be admitted to a course in the University and, if already admitted, his/her admission shall be cancelled immediately after the facts of the case are known.
- (ii) Where it is discovered that a candidate has been punished on account of using unfair means in any examination or has been expelled from any educational institution, he/she shall not be admitted.
- (iii) The University has the right to cancel, at any stage, the admission of a candidate if it is discovered that he/she was not entitled to admission in accordance with the prevailing rules and regulations. Admission, at any stage, may also be cancelled if deemed fit in the interest of the University.
- (iv) The University has the right to cancel, at any stage, the admission of a candidate if it is discovered that he/she has used for admission the degrees/diplomas/certificates obtained from unrecognised and unapproved institutions/fake universities/institutions/ boards. The applicants are, therefore, advised to refer to the websites of UGC (www.ugc.ac.in), the AICTE (www.aicte.ernet.in) and DEC (www.dec.ac.in) to verify.
- (v) Candidates found using unfair means in Entrance test will not be allowed admission and will also be debarred from any future Entrance Test.
- (vi) A student shall not be admitted to any department of the University, if he/she is suffering from a disease of a nature, which may be detrimental to the health of the fellow students.
- (vii) No fresh admission shall be made in the second semester of any programme of study.
- (viii) Inter-subject transfers will not be allowed at any stage of admission process. The candidates may, however, apply on separate application forms for different courses depending upon their eligibility.
- (ix) Admission of students joining the various courses will be provisional and will be confirmed by the Admission Committee of the University only on the verification of the certificates in original on the basis of which they are admitted.
- (x) Eligibility conditions for admission to PG courses of the campus will be same as prescribed for admissions to colleges for the same courses.
- (xi) Eligibility conditions for those courses, which are not being offered in the colleges, will be as prescribed in the Campus Information Brochure 2015-16.
- (xii) If a candidate remains absent continuously for ten days after admission, his/her admission shall stand cancelled.
- (xiii) Admission of foreign students, if selected, would be subject to a clearance from the Department of Education, Ministry of HRD, Government of India and Sr. Superintendent of Police, Meerut. Foreign students are encouraged to apply for admission under PIHEAD programme of UGC.
- (xiv) For the purpose of admission, the claim of the applicants included in a particular Merit List shall cease after the scheduled reporting time.
- (xv) No candidate should be permitted to switch admission to other courses (self-financed or regular) without completion/cancellation of the first one.
- (xvi) For all purposes, decision of the Admission Committee with the approval of the Vice-Chancellor, who is the Chairperson, shall be final and binding on each applicant.

Note: *The information contained in the Information Brochure is only for general guidance and should not be treated as a legal document. It could be changed/modified from time to time by the Academic Bodies/Admission Committee/Authorities of the C.C.S. University, Meerut. It is to be noted that ignorance of any rule cannot be treated as an excuse for its breach.*

Facilities

Library

The University library is housed in a four-storied modular pattern building in close proximity of the teaching departments. It has 153063 books, 101985 titles, 26262 bound volumes of journals and 10575 theses on its shelves. Nearly 4000 documents in the form of books, theses and dissertations are added every year. It subscribes to about 112 foreign and 304 Indian journals in various disciplines, besides 32 magazines and 17 newspapers, too. The library is a member of UGC-Inflibnet with 8000+ electronic journals, additionally, it subscribes to 103 e-journals. The library invests Rupees 1.75 crores per annum on the acquisition of reading material. The rate of growth of library collection is about 2500 to 3000 per annum. During the last five years the library has purchased 15000 new books. Library membership is open to students, scholars and faculty members of the University and colleges affiliated to the University. Library has a very rich collection of e-resources. It has subscribed World e-book library which provides access to more than 30 lakhs e-books. Reference and bibliography services have been specially planned to meet the growing requirements of library members. Photocopying facility is provided to members. Online Internet access on large number of terminals is available free to the faculty and on a nominal payment to the students/scholars of the University. The library remains open throughout the year except in case of very few gazetted holidays. It observes working hours from 8 A.M. to 12 A.M. on all working days and from 8.00 A.M. to 8.00 P.M. on holidays.

Facilities of University

Library Professor In-charge
Deputy Librarian

Prof. Rakesh Gupta
Dr. J. A. Siddiqui

University Computer Centre

Ever since its establishment in the year 1990, as a central facility, the Computer Centre is extending all need-based computational facilities to the students, research scholars and faculty members of the University campus departments. It offers Computer Science courses to the students of various departments established under the auspices of the University Grants Commission. It has also started rendering services to the University administration like University pre-examination data processing, declaration of results, printing of mark-sheets, preparation of salary statements, preparation of provident fund statements, etc. Presently the centre has two servers, 35 Pentium IV, 37 Pentium III and one 386 computer systems. It has three high-speed line printers (600 lpm and 1500 lpm). Proposals are in the pipeline to have additional 30 Pentium IV nodes on networking. Since the present Vice-Chancellor is taking keen interest to establish this centre as a nodal centre to meet all requirements of the University administration, students and faculty members of the campus departments, the centre is planning to spread awareness regarding the uses and applications of computers by providing training to all concerned.

Hostels

Hostel accommodation cannot be claimed as a matter of right. The University has eight hostels (six for boys and two for girls), which provide excellent hostel accommodation **to a limited number of bonafide students of full-time programme(s)** of the University Campus departments. While in the hostel, the students are required to pay the fees regularly; be responsible for the upkeep of rooms, furnishing and fixtures. The University authorities may ask any inmate to vacate the hostel, if he/she is found indulging in any activity unbecoming of a student.

Admissions to the hostels are made against the available vacant seats. The Wardens allot the hostel seats as per the University Hostel Rules and U.P. Government Reservation rules for SC/ST/OBC students.

In order to regulate community living in the hostel, certain rules have been framed for the students. These are as follows:-

- a. The hostels will have to be vacated by the inmates during the summer vacations for at least 15 days for repairs, etc. The wardens will notify the dates.
- b. Under no circumstance a student will be allowed to stay in the hostel after the prescribed time.
- c. A hosteller will be given admission to a new course of study only after he/she vacates the room in his/her possession and produces before the admission committee a certificate to that effect issued by the warden.
- d. The students of the diploma and certificate programme(s) will not be provided hostel accommodation.
- e. Students are supposed to conduct themselves in extremely good manner in and outside the hostels. Payments of hostel fees and dues, proper use of hostel facilities, common rooms and abiding by the hostel visiting hours are some of the important points to be strictly adhered to by the hostellers.
- f. At the time of admission to a hostel, a candidate will have to submit an affidavit and sign an undertaking, that if he/she avails the scholarship from Samaj Kalyan Vibhag of UP Govt as a hosteller, but leaves the hostel before session-end, he/she will have to refund the difference of scholarship availed as a hosteller vis-à-vis a day-scholar, as soon as it is transferred to his/her account (giving bank details).

For more details, see **www.ccsuhostel.com**

Health Centre

The University has a Health Centre (Medical Dispensary) located near the Guest House of the University. It is open from 8 A.M. to 3 P.M. on all days except Mondays, second Saturdays and University holidays. A medical officer is available for consultation. In addition, a pharmacist is also available during the working hours. The health centre also has an ambulance to meet emergencies.

Games and Sports

The University has a gymnasium, wrestling stadium and excellent facilities for a number of indoor and outdoor games. The University is very well known in the country for its achievements in sports and games and has produced a number of players of national and international repute. It regularly organizes athletic meets and inter-collegiate sports activities like wrestling, volleyball, basketball, hockey, cricket, etc.

Students' Canteen

The University has a spacious students' canteen that has the necessary infrastructure.

Auditorium

The University has an auditorium with a capacity of more than 1000 seats. The auditorium is well equipped with light and sound systems for cultural functions, etc.

Central Internet Facilities

The University has created a local area network, which is connected to ERNET through a leased line. All the departments are connected through this local area network. The computer laboratories of different departments also have Internet browsing facility. All departments of the University can make use of Internet facilities by paying the fee prescribed from time to time. A number of

different scientific and academic journals are accessible through e-consortium managed by INFLIBNET.

Students' Welfare and Discipline

Dean Students' Welfare (DSW)

The Dean Students' Welfare (DSW) is responsible for the welfare of the students in respect of scholarships, stipends, educational excursions and railway concessions for travel to hometowns during the summer and winter vacations. The DSW may also communicate with the parents/guardian of students in respect of any matter, whenever necessary. The DSW also performs such other duties as may be assigned to him/her by the Executive Council or the Vice-Chancellor. The DSW is assisted by the Assistant Deans Students' Welfare.

Literary and Cultural Council

The Literary and Cultural Council consists of a Chairperson, Coordinator and members under the patronage of the Vice-Chancellor. The Literary and Cultural Council is responsible for the promotion of literary and cultural values among the students through various programmes and competitions organised from time to time. The programmes include Poetry, Music, Dance, Painting, Debate, Acting, Singing, Story and Essay Writings, etc.

The Women's Cell, SC/ST Cell, Equal Opportunity Cell, Placement Cell, Employment Bureau, IQAC, IPR Cell, etc. take care of various needs of the students.

Proctorial Board

The proctorial board consisting of a Proctor and Assistant Proctors assists the Vice-Chancellor in the exercise of his disciplinary authority in respect of students of the University and also exercise such powers and perform such duties in respect of discipline as may be assigned to the proctorial board by the Vice-Chancellor.

The proctor issues identity cards to the students of the University campus on the advice of the concerned departments. Application forms for this purpose shall be available in the office of the concerned teaching departments and the students are required to complete all formalities and obtain the Identity Cards as soon as they take admission/readmission to a course in the University.

Discipline

- (ii) If a student is found guilty of misconduct or breach of discipline or ragging or holding of introduction nights or such other practices adopted to harass fellow students within or outside the premises of the University or hostel, the Head of the Department or Proctor may, according to the nature and gravity of the offence, punish him/her as per the provisions laid down in Acts and Statutes.
- (iii) The Proctor shall have the power to suspend a student temporarily from the University pending enquiry into his/her conduct in connection with an alleged offence. However, before awarding a punishment to the student an opportunity of personal hearing/explanation of his/her conduct in writing shall be given to him/her.
- (iv) If the Vice-Chancellor feels satisfied that a student of the University has been guilty of grave misconduct, or breach of discipline causing harassment to an authority, teacher, student or employee of the University or of causing destruction to University property, he may according to the nature and gravity of the offence, punish the student as per provisions laid down in Act and Statutes.

FEE STRUCTURE FOR THE GOVERNMENT AIDED PROGRAMME(S)

The details of the fees are given below. Fees cannot be adjusted against stipends/ scholarships. Non-receipt of scholarship, etc. will not be contemplated as a valid reason for the late payment of fees. Fees/dues once paid will not be refunded to the student leaving the course for any reason what-so-ever. Online admission fee payment for all courses, will only enable Head(s) of Departments for confirmation of admission online.

Training and placement	745*

***Optional, where the placement is supported by the Placement Cell.**

Note:

- (i) Online admission fee payment for all courses, will only enable Head(s) of Departments for confirmation of admission online.
- (ii) Laboratory fee and lab security will be charged for only those programmes of study having practical courses (including M.A. in Sanskrit, M.A./M.Sc. in Geography).
- (iii) A dissertation/project fee of Rs. 1210/- shall be charged wherever applicable.
- (iv) Students seeking admission to the hostels shall deposit a sum of Rs. 2000/- as hostel security fee and Rs. 2000/- as mess security fee. Both are refundable.
- (v) Examination fee will be charged separately in each semester. (See Page 76-77)
- (vi) Fee once deposited shall not be refunded or transferred to any other course in any case.
- (vii) For courses in School of Business Studies, Rs. 1500/- will be charged as caution money, separately, at the time of admission in the first year. This fee is refundable.

- (viii) *The prescribed fee is subject to revision as per decision of the State Government on the recommendation of the committee constituted as per the directions of the Hon'ble Apex Court.*
- (ix) *All students taking admission to the hostel, shall sign an agreement of deduction of the amount of scholarship which they would be drawing extra as a hosteller (more than a day scholar of the same course), in case of withdrawing their candidature as hosteller, before the end of the session or summer vacation in the University Campus.*

Note: All the applicants are advised to check the fee details for the Government Aided and/or Self-Financed (SFS) programmes on the University and the college websites.
